JVL®

JVL®

"QUALITY CONSCIOUS PEOPLE"...

Company Overview

Offering you the best quality stainless steel houseware products, JVL Classicware is the hub of peerless steel utensils that designs and develops steel utensils that emit nothing but perfection.

Molding excellence in attractive shapes and sizes, we are known for manufacturing a wide range of oval, square and other stainless steel products. Complementing the brand's tradition of unique craftsmanship, each product is designed with utmost care and precision, making our exclusive collection an eloquent statement of its own style and grandeur.

While our masterpieces spell true luxury, our commitment to quality and meeting delivery schedules triumphs us the appreciation and identity of being the best in the industry.

We are 'Quality Conscious People'.We stress on the usage of finest raw material and most-advanced processes to create our world-class products. Our state-of-the-art factory is equipped with revolutionary machines that help us serve you with inimitable products.

Experience our creations that will simply leave you asking for more.
