VIPS-TC | SCHOOL OF ENGINEERING AND TECHNOLOGY

University Gold Medalists

Prisha Gupta
Batch - 2021-2025, IIoT

Vaibhav Sharma
Batch - 2021-2025, AI-ML

A proud moment for VIPS-TC, School of Engineering and Technology as our students were honoured with Gold Medals at the 18th Convocation of Guru Gobind Singh Indraprastha University (GGSIPU), Delhi.

95% Placements
Batch 2021-2025

318 Internships
Batch 2022-2026

Top Recruiters:

Jaro Education | EPAM | Accolite ICICI Bank | HighSpring | Hughes Communication India Ltd | Godrej Capital | Movidu | Texas Instruments India Ltd | Copoint AI | Krid.AI | Galytix | Amar Ujala | Paytm | KPMG | Nagarro | Tech Mahindra | Global Logic | Avaya | Jindal Steels | Gramener Technology Solutions Pvt Ltd | Accredian | Mphasis | JBM Group | Penthara Technologies | Infoedge | EY | Andromeda Intelligent Technology Services

Internships:

DRDO | Airport authority of India | Bharat Electronics Ltd | Centre for Railway Information System | Central Road Research Institute | Delhi Integrated Multi-Modal Transit System | C-DAC Noida | BSES Rajdhani Power Limited | Embassy of Switzerland | WESEE

Highest package offered during Internship:
INR 80,000 Per Month

Memorandum of Understanding

MoU has been signed between **NIT Delhi** and VIPS-TC by Prof. (Dr.) Ajay K. Sharma (Director, NIT Delhi) and Sh. Vineet Vats (Vice Chairman, VIPS-TC). The ceremony was attended by Directors along with the Deans and faculty members from both the institutes.

The felicitation of Sh. S. Krishnan (Hon'ble Secretary, MeitY) by Sh. Vineet Vats (Vice Chairman, VIPS-TC) and Prof. Madan Mohan (Director General, NIELIT) on the occasion of the MoU signing ceremony between **NIELIT** and VIPS-TC. The event was attended by Joint Secretary (MeitY), Director, Deans and faculty members from VSET.

Activities at VSET

The International Conference on Advanced Materials for Sustainable Innovation (IC-AMSI 2026) was graced by Dr. Ram Singh Chouksey (Scientist F, DRDO), Prof. Manoj Gupta (Chair Professor, National University of Singapore), Dr. Sushil Kumar Singh (Scientist F, DRDO), Dr. Sunil Gupta (Director, VSET), and Dr. Nidhi Sharma (Dean, Department of Applied Science and Humanities).

The inauguration ceremony of IEEE Student Branch in the esteemed presence of Prof. M. N. Hoda (Chief Guest & Chairperson, IEEE Delhi Section), Prof. (Dr.) Sneha Kabra (Guest of Honour & Secretary, IEEE Delhi Section), and Dr. Rakhee Sharma (Special Guest & Senior Member, IEEE).

Expert Talks

Dr. Utpal Chakraborty, Founder & Chief Scientist, GHANA AI Lab and Co-Founder IndiqAI delivered a talk on "When Black-Box AI Breaks Trust: The Case for Responsible and Sovereign AI", 30-01-2026

Mr. Devender Sharma, Sr. Software Architect, Capgemini, America delivered a talk on "From Gen. AI to Agentic AI: The Next Evolution of Intelligent Systems", 06-02-2026

Dr. Gaurav Bhatnagar, Mathematician and Educator delivered a talk on "Some Ways in Which Ramanujan Knew Infinity", 10-02-2026

Mr. Vineet Mittal, SVP ZIROH Labs, Kompact AI delivered a talk on "Internet Security: AI Practitioner's View", 18-02-2026

Technical Events

Programming in VLSI, 28-01-2026

The session provided a clear understanding of VLSI design flow, HDL concepts, and hands-on Verilog programming through live demonstrations.

SNAP AR: Augmented Reality Creator Workshop, 27-01-2026

The workshop combined conceptual learning with hands-on sessions using Lens Studio, enabling students to design and publish their own AR lenses.

Hands-On Training on Recent Trends and Applications of Internet of Things (IoT), 13-01-2026

The event was a valuable learning experience, significantly enhancing participants' technical competence, practical exposure, and industry readiness in the rapidly evolving domain of Internet of Things.

Workshop on Exploring and Capturing Values & Ethics from Indian Knowledge Systems, 09-02-2026

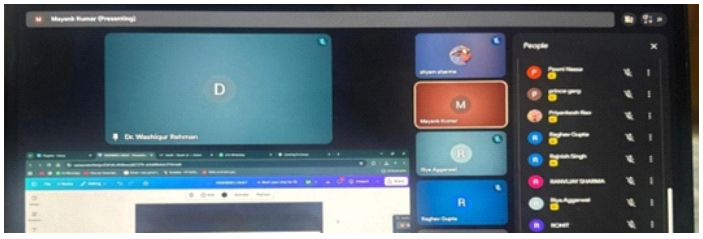
The workshop served as a vital platform to bridge the profound wisdom of India's heritage with the ethical imperatives of modern education and innovation, directly echoing the foundational principles of the National Education Policy (NEP) 2020.

Responsible AI in Teaching, Research, Industry– Academia Collaboration, and Curriculum Alignment, 23-01-2026

Expert: Shri M.Chockalingam, Technical Director, nasscom.ai

Hands-On Training on VLSI Design Using EDA Tools, 12-01-2026

The Winter School proved to be a valuable learning experience, significantly enhancing participants' technical competence, practical exposure, and industry readiness in the rapidly evolving domain of VLSI design.



Bug-a-Thon, 06-02-2026

Students learned how text is transformed into numerical embeddings and how linear algebra—specifically operations like the dot product and transformations—is applied to manage semantic relationships within RAG systems.

Gen AI Winter School Bootcamp, 16-1-2026

The Bootcamp delivered industry-integrated training on Generative AI through hands-on sessions, real-world workflows, and expert mentorship on LLMs, RAG and AI agents.

DSA before Regret: Start Right with HackerRank, 30-01-2026

The session emphasized the importance of Data Structures and Algorithms in technical interviews and presented a structured two-phase learning roadmap covering core data structures and advanced algorithms.

Root Ritual – Episode 1: Summoning Kali ¸ 29-01-2026

It was a hands-on cybersecurity session by CyberYoddha in collaboration with AARVAK, introducing students to Kali Linux and practical security learning environments.

RedHat Courses Awareness Seminar, 03-02-2026

The seminar introduced students and faculty to industry-relevant open-source technologies and globally recognized certifications like RHCSA, RHCE, OpenShift, and Ansible, emphasizing Linux, cloud computing, DevOps, and automation.

Analog Arena, 25-02-2026

The VLSI Club organized a hands-on technical workshop on Cadence Virtuoso, focused on designing and simulating digital logic gates at the transistor level.

HASHPATH, 18-02-2026

HashPath was a high-impact knowledge and engagement session focused on Web3, Blockchain, Artificial Intelligence, Cybersecurity, and Gamification in Emerging Technologies.

Clash of Circuits, 28-02-2026

The students recreated iconic Avengers images with maximum accuracy using the least number of prompts.

SPARK: Counselling Session, 19-02-2026

The primary objective of the session was to empower first-year students to take ownership of their academic journey by effectively managing their time, energy, attention, expectations, priorities, and self-care.

Workshop on 3D Printing, 27-02-2026

The Workshop offered hands-on training in Fusion 360 design and FDM printing, enabling students to build real-world prototypes.

Amazon Web Services: Cloud Computing, 11-02-2026

The aim of this was to introduce students to the foundational concepts of Cloud Computing and AWS services and demonstrate how AWS helps businesses scale, manage, and innovate through cloud solutions.

Workshop on Effective Sales & Marketing Strategies for Startups, 20-02-2026

The workshop aimed to provide students with hands-on experience of how sales & marketing take place within a business environment.

Counselling Session, 20-02-2026

Mr. Kartik Mathur (Cofounder - Coding Blocks) counselled the students on “How to Prepare and Crack Dream Company Offers”.

Expert Talks on 27-03-2026 by Dr. Mayuri Mehta, Professor, SCET Surat on the following:

- From Generative AI to Agentic AI: The Next Evolution of Intelligent Systems.
- Essential Guidelines for Developing High-Impact Research Papers.

Workshop on MATLAB: Basics and Applications in Industrial IoT, 11-02-2026

The workshop was conducted to impart foundational programming, simulation, and data analysis skills relevant to Industrial IoT applications.

No-Code Web Development – International Women's Day Special, 03-03-2026

The session introduced students to the concept of no-code web development allowing them to create and publish websites without requiring programming knowledge.

Build-a-Thon, 23-03-2026

It was a multi-phase event organized by Cluster-Data Science Club under the aegis of TISEC at VIPS-TC, in collaboration with Earn First Dollar — a Web3 contributor-based earning platform.

National Startup Day, 16-01- 2026

The event was graced by:

- Mrs. Sanya Kapoor (Business Head of Webtel Electrosoft Ltd)
- Mr. Rahul Lakhmani (Founder and CEO of Skiify Solutions)
- Mrs. Meghna Joshi (Founder of SWAN LIVELIHOOD)

Industrial Visits

Industrial Visit - Microsoft, 14-02-2026

The industrial visit to the Microsoft Office in Noida provided students with hands-on exposure to AI-driven backend development, secure API integration, and modern tools like GitHub Copilot in Visual Studio Code.

Industrial Visit at FANUC India Pvt. Ltd., 21-02-2026

Students gained hands-on exposure to advanced industrial robotics, CNC Robomachines, and smart factory solutions during the visit to FANUC India Pvt. Ltd. at its Manesar Technology Development Center.

Visit to Bharat Electricity Summit 2026, 20-03-2026

Students attended the Bharat Electricity Summit 2026 held under the aegis of the Ministry of Power, Government of India, and led by POWERGRID on 20-03-2026.

Student Achievements

Hackathons

Start-A-Thon Startup Competition –**Aastha Sikka and her team** secured **First Position** in Women's Track at IGDTUW, Delhi

INVICTUS Hackathon – Team Pralay secured **third position** at DTU

ByteRunner ML Hackathon – Team Ingenious (Atharva Jaiswal, Lakshay Kansal, Mrigank, Syed Sehran Azam) got **Second Position** at IIT Delhi.

Catalyst GenAI Hackathon – Sarah Goel and her team (Zero Trace) secured **Third Position** at JIMS Noida .

Kudos to **Adithya Venkateswaran, Sarthak Jha, Raghav Tiwari, and Harshit Jain** for securing **First Place at "IndustrySolve25"** held at IIIT Delhi.

Kudos to **Chirag Aggarwal, Rhythm Arora, Daksh Goel, and Dhruv Kwatra** for securing the **First Runner-Up position at "Hack Geek Room 1.0" at Opstree Global, Noida**, with their project "Deep Research System."

Kudos to Third year students — **Piyush Kumar, Siddarth Bhardwaj, Varun Dubey, and Akshaj Nambiar** — for securing **Second Place at "the Hackaverse Hackathon"**, organized by JIMS Vasant Kunj in collaboration with GDG New Delhi, among 200+ competing teams.

Kudos to **Partha Gautam and Pulkit Gupta** for securing **Second Place at "HackMor 2026"** at Manav Rachna University, Faridabad, for their project "SanskritiAI – AI-Powered Digital Heritage Guide for Sustainable Education."

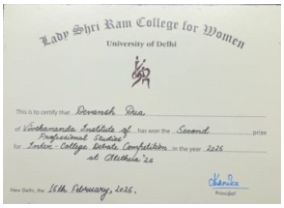
Kudos to our VLSI students — **Ishaan Maheshwari, Tarun, Raghav Sharma, Siddhu Kumar Jha, Aryan Choudhary,** and Ali Akber Taqvi — for securing **Third Place at "RoboDrive"**, a prestigious robotics competition hosted by IIIT Una.

Technical

Delhi Zonal Competition – **Team Jan Setu** secured **First Position** in Innovate for Impact at IIIT Delhi

Piyush Malhotra and his team secured **Second Position at L'Economiste 2026** at Hindu College, University of Delhi.

Astrosim Event – **Bivash Chakraborty** secured **Third Position** at Invictus 2026, DTU.



Devansh Dua secured **Second Position in Inter-college debate competition** at LSR College for Women University of Delhi.

Microsoft Office India Quiz & Seminar – **Piyush Malhotra** secured **Second Position.**

Cultural/Sports

Anugoonj 2026 Prelims – First Position secured by **Aditya Rawat** at FIMT.

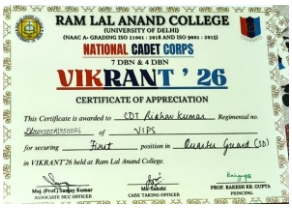
Team Aflatoon won a **Third Position for stage play** event at ADGIPS, Delhi

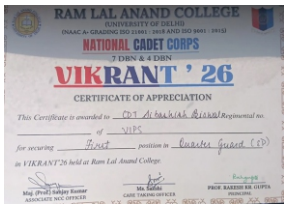
Rangayan Stage Play Competition – Om Mishra and his team got **Second Position** at ARSD College, DU

Arambh 2.0 – **Rakshith and his team** won **Second Position** in Volleyball at GTBIT, Delhi

Valorant Tournament (Tryst IIT Delhi) – **Swastik Verma and his team** secured **Second Position**

Arangetram (Bharatnatyam Graduation) Ceremony of **Vaidehi** at Kirti natya niketan





Quarter Guard Competition –**CDT Rishav Kumar and CDT Sibashish Biswal** secured **First Position** at RLA (State Level) , University of Delhi

Udaan NCC Event – **CDT Sibashish Biswal** won the **Best Cadet competi-tion** at Kalindi College, DU.

Anugoonj Prelims – **Divyanshi Sharma and her team** securing **Second Position** at FIMT.

Battle of Bands (Anugoonj Finals) - Tanishq Sharma and his team secured **First Position** at GGSIPU, Delhi

Cultural Events

Sanskriti, 10-02-2026

It was a canvas painting competition to provide a creative platform for students to explore and celebrate India's vast cultural heritage.

RIWAYAT: Inter-College Cultural Competition, 26-02-2026

It was an enthusiastic inter-college cultural event that successfully celebrated talent, tradition and teamwork.

Blood Donation Camp

Blood Donation Camp on 18-02-2026

Srijan - The SDG Club organized a Blood Donation Camp to promote humanity, social responsibility, and the spirit of helping others.
