PROFESSIONAL SUMMARY

Dedicated Dairy farm worker for over 4 years of hands-on experience in large-scale dairy farm operations. Proven expertise in livestock management, including rigorous feeding and milking schedules, health monitoring, and maintaining high standards of animal welfare. Highly adaptable and energetic, with a strong commitment to implementing international farming standards and ensuring operational efficiency in demanding outdoor environments.

CORE STRENGTHS

- * **Livestock Management:** Proficient in daily farm operations, cattle care, milking and maintaining productivity in high-volume dairy environments.
- * **Operational Reliability:** Proven ability to handle physically demanding tasks and maintain disciplined schedules for cleaning and monitoring.
- * **Technical Literacy:** Skilled in digital record-keeping and reporting, leveraging a background in graphics and media production to ensure accurate farm data.
- * **Multilingual Communication:** Fluent in English, Hausa, and Twi, facilitating excellent interpersonal relations and team collaboration.
- * **Adaptability:** Eager to learn master new agricultural technologies and global daily cattle farming protocols.

DAIRY FARM CATTLE EXPERIENCE:

Daily Farm Operations | Mleiha Dairy Farm 2022 – 2026

- * Executed daily dairy farm operations, focusing on the health, hygiene, and milking productivity of cattles.
- * Managed rigorous feeding and hydration schedules tailored to livestock nutritional needs.
- * Monitored agricultural environments and animal behavior to identify and report health concerns early.
- * Collaborated with Senior Agriculture Officers to implement best practices in herd management and milking efficiency.

- * Maintained clean and sanitary livestock housing to ensure compliance with animal welfare standards.

ADDITIONAL PROFESSIONAL EXPERIENCE

Graphic Designer / Video Editor | Marken Graphix / Western Media 2011 – 2016, 2020– 2021

- * Applied high attention to detail and time-management skills in fast-paced production environments.

- * Managed technical workflows that translate to precise digital reporting and records, and maintenance format machines.

- * Demonstrated high levels of responsibility, trust, and empathy in managing essential daily tasks.

EDUCATION & CERTIFICATIONS

- * Diploma Certificate: Solos Institute of Technology (2013).

- * West African Senior High School Certificate (WASSCE): Kas Senior High School (2008).

- * Basic Education Certificate (B.E.C.E): St. Justin's Anglican J.H.S (2005).

TECHNICAL SKILLS & INTERESTS

- * General Skills: Daily Farm specialist and Maintenance, Milking Production, Team Collaboration, and Professional Graphic Designing.

- * Languages: English (Fluent), Hausa, and Twi.

- * Interests: Reading, and Sports (Football)
