To: The Hiring Committee / Daily Farm Manager

Subject: Application for Daily Farm Work Position

Dear Sir/Madam,

I am writing to express my strong interest in the Daily Farming job position at your noble institution. With over four years of dedicated experience specifically within large-scale dairy operations at Mleiha Daily Farm in UAE- Sharjah, I possess the practical skills and disciplined work ethic required to maintain the high standards of livestock and milking production.

As a Daily Farm Worker from 2022 to 2026, I am responsible for the daily health and productivity of cattle. My role involved executing rigorous feeding schedules, monitoring animal welfare and milking production, ensuring that all agricultural environments met strict sanitary and operational standards. I am accustomed to the physical demands of outdoor labor and pride myself on being an energetic, reliable professional who can work effectively under the guidance of senior agricultural staff.

What sets me apart is my unique blend of manual expertise and technical literacy. While I am highly proficient in hands-on cattle care and milking, my background in graphic and media production has equipped me with a sharp eye for detail and the ability to manage digital farm records or reporting accurately. I am a fluent communicator in English, Hausa, and Twi, allowing me to collaborate seamlessly with diverse teams to achieve institutional goals.

I am eager to bring my passion for excellence and my 4+ years of agricultural expertise to your team. I am confident that my background in livestock management and my commitment to animal welfare will make me a valuable asset to your farming operations.

Thank you for your time and for considering my application. I look forward to the possibility of discussing how my experience at Mleiha Dairy Farm can contribute to the continued success of your noble institution.

Yours Sincerely,

Mintah Bright Boateng Kojo
