

The power pack!

The LMG series

Model	Cutting width	Number of swinging blades	Weight	Power requirement	Dimensions	
					Width	Depth
LMG 130 heavy duty	100 - 130 cm	2 + 2*	395 kg	30 PS	105 cm	125 cm
LMG 145 heavy duty	115 - 145 cm	2 + 2	445 kg	30 hp	120 cm	130 cm
LMG 175 heavy duty	130 - 175 cm	2 + 2	495 kg	35 hp	135 cm	145 cm
LMG 195 heavy duty	140 - 190 cm	2 + 2	515 kg	40 hp	145 cm	155 cm
LMG 210 heavy duty	150 - 210 cm	2 + 2	545 kg	45 hp	155 cm	160 cm
LMG 230 heavy duty	165 - 230 cm	2 + 2	585 kg	50 hp	170 cm	165 cm
LMG 260 heavy duty	190 - 260 cm	2 + 2	650 kg	50 hp	195 cm	180 cm
LMG 230 compact	165 - 230 cm	2 + 2 + 2	595 kg	50 PS	170 cm	135 cm
LMG 260 compact	185 - 260 cm	2 + 2 + 2	610 kg	50 hp	190 cm	140 cm
LMG 285 compact	200 - 280 cm	2 + 2 + 2	645 kg	55 hp	205 cm	145 cm
LMG 310 compact	215 - 305 cm	2 + 2 + 2	680 kg	60 hp	220 cm	155 cm
LMG 345 compact	240 - 345 cm	2 + 2 + 2	735 kg	65 hp	245 cm	165 cm

*The LMG130hd has no swinging blades due to its compact design.

Uncompromising!
Enormous cutting performance even under the most extreme conditions.

Always ready for action!
High positioned blade supports and strongly curved swinging blades reliably protect the entire drive train.

Individually configurable!
Front or rear mount, synchronous or separate hydraulic width adjustment, 540 or 1,000 PTO

That's fun!
Protective, high positioned blade support, as well as directly accessible greasing points

Pure performance!
Solid, strongly curved swinging blades for enormous cutting performance even under extreme conditions

Heavy Duty!
Solid two-layer mowing deck made of high tensile steels, special tempered hexagonal shaft as well as really strong chrome-plated guide tubes

Tool carrier!
Can be combined with various attachments for mechanical weed control

Page 40

Page 41

Page 44

The compact models!
Equally heavy duty but thanks to three blades much shorter and more manoeuvrable.

Pure efficiency!
Clean mulching and gentle, mechanical weed control in just one step. More and more companies are relying on combined systems.
