

Privacy Policy

Last Updated: 20 March 2025

AI Nutritionist values your privacy. This Privacy Policy explains how we collect, use, and protect your personal information.

1. Information We Collect

- Currently, AI Nutritionist does not collect personal data.
- Future updates may request birth date, weight, height, and activity level for enhanced recommendations.
- Users may upload images of their meals for AI-based analysis.

2. How We Use Your Information

- To analyze food images and provide nutritional insights.
- To enhance AI models and improve the App experience.
- To track analytics and performance through Firebase and PostHog (EU).

3. Data Sharing & Third Parties

- We do not sell or share your personal data with advertisers.
- We use Firebase and PostHog (EU) for analytics, which may collect anonymized usage data.

4. AI Processing & Sensitive Data

- Our AI analyzes food images to assess nutritional content.
- While we process food-related data, we do not store or share health-related information without your consent.

5. User Rights

- You may request data deletion when future updates allow personal data collection.
- Users can opt out of analytics tracking where applicable.

6. Security Measures

- We implement security protocols to protect user data.
- Despite precautions, no system is completely secure, and users should be mindful when sharing information.

7. Changes to this Privacy Policy

- We may update this policy. Continued use of the App signifies acceptance of changes.
