**Research Publication and Consultancy**

- a. More awareness may be carried out on research publication at SE/TE level which will be helpful for them for research publication in reputed journals/conferences in final year.
  - 1. At SE Level – Awareness about how to download appropriate paper, how to read it etc.
  - 2. At TE Level – Writing a literature review paper under the guidance of faculty member.
- b. Faculty must be motivated by college to do research or consultancy in various organizations.
- c. Infrastructure of college can be rented to startups, which will help in getting consultancy.
