Feedback analysis and action taken report.

Academic year 2021-2022

Al-Badar Dental College & Hospital has systematic and formal mechanism of collecting and analyzing feedback from stake holders-Students, Staff, Professionals & Alumni as per the sop.

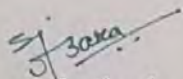

The action taken report based on the feedback analysis for the academic year 2021-2022

Sr.No	Stake holder	Issue raised	Action taken
1	Students	It was suggested that the course offered in relation to the technological advancements must be improved	“Laser in Dentistry”, “Rotary Endodontics”, “Implant Modules” trainings were conducted.
		It was suggested that clinical facilities of the college must be improved.	All the HOD s of clinical departments were informed to introduce more clinical specialty courses in emerging areas & was also suggested to conduct SWOT analysis of respective departments.
2	Staff	Curriculum providing opportunity for conducting research among students must be improved.	Students are encouraged to carry out research projects, scientific paper presentation, poster presentation under the guidance of staff. Students are encouraged to attend conferences, workshop, CDE programs.
		Improve the approach in interdisciplinary learning.	Interdepartmental presentations are conducted.
3	Professionals	Relevance of course to real life.	BLS training courses was conducted, PHD conducted increased number of rural camps.
4	Alumni	Exposure of clinical skills during internship program.	All the HOD s of clinical departments were informed to improve the work quota of interns & make it mandatory to complete the work quota.
5	Employers	No any issued were raised	Still the communication skill and capability enhancement workshop were conducted to improve the student from good to excellent.
