# FUSION

## WHAT IT MEANS:

Fusion represents the best products from the top manufacturers in the industry. Our team is committed to never running out of the products you need to get the job done *safely & on time*.

## BIGGEST FACTORS THAT GUIDE OUR SELECTION PROCESS:

### Safety & Code Compliance

Our team of experts work closely with the industry's leading tool and safety manufacturers to ensure our inventory is stocked full with the latest safety products that meet and/or exceed code compliance.

### Efficiency & Labor Savings

With tighter project timelines and increasing labor rates, we regularly review new products entering the market to ensure that we stock innovative solutions that help save you time and money.

### Premier Vendor Partnerships

Over the past 50 years, we've worked with our premier vendor partners to streamline our supply chain and bulk up our inventories which allows us to pass on the cost and efficiency savings to our customers.
