Senior Frontend Developer

We are currently seeking a full-time (remote) Senior Frontend Developer to join our dynamic team. In this role, you will play a crucial part in developing and optimizing frontend applications that leverage AI technologies to deliver unparalleled user experiences.

About ParetoLabs

ParetoLabs is a **software studio** that develops customized, AI-powered applications for conversation and text processing. The startup helps customers to quickly test AI applications in their context. Founded in Zurich, the "**Microsoft for Startups**" partner has been bringing together the most innovative AI technologies with the specific needs of Swiss companies since 2023.

Tasks

- Develop and maintain the frontend of our for **AI-driven applications**.
- Design and implement **responsive and intuitive web designs**, collaborating with back-end developers.
- Develop and maintain scalable frontend solutions using **modern JavaScript frameworks** such as React or Angular.
- Ensure **seamless integration of frontend components** with backend AI services and APIs.
- Implement **best practices** for code quality, security, and accessibility.
- Stay updated on **emerging frontend technologies and AI advancements** to continuously enhance our products.

Requirements

- **5+ years of hands-on experience** in frontend development.
- **Proficiency** in HTML5, CSS3, and JavaScript/TypeScript.
- **Strong understanding of frontend frameworks/libraries** such as React, Angular, or Vue.js.
- **Experience with state management solutions** like Redux or Vuex.
- **Knowledge of responsive design principles** and cross-browser compatibility.
- **Familiarity with RESTful APIs** and asynchronous programming.
- **Experience deploying to Cloud Services** such as Microsoft Azure.
- **Fluency in both German and English**, both written and spoken.
- **Excellent problem-solving skills** and attention to detail.
- **Ability to work effectively in a fast-paced, collaborative environment.**

Benefits

- **Competitive Remuneration:** A competitive salary package, reflecting your experience and contributions.
- **Flexible Work Arrangements:** Choose from remote, on-site, or hybrid working models, with a preference for candidates based in Switzerland.
- **Pick Your Gear:** Choose your preferred devices for work.
- **Attractive Benefits:** Above market pension benefits and a private accident insurance.
- **Professional Growth:** Participation in the Microsoft for Startups program, offering access to valuable resources, events and support.

If you are **passionate about frontend development** and eager to contribute to cutting-edge AI solutions, **we invite you to join our team at ParetoLabs!** Please send your resume and links to projects showcasing your relevant experience to contact@paretolabs.ch (ideally GitHub, alternatively a product website).
