

## Sales/Business Position (60%-100%)

Do you want to bring in your ideas and contribute to the new way the world is going to fulfill tasks? Rimon is looking for great minds to reach its mission of **"Enable people by rethinking the manual"**.

Rimon develops a platform that allows companies to create their own interactive manuals. Supporting their frontline workers on the job, while documenting their process on-the-go. These interactive manuals run on AR capable devices, such as phones, tablets and AR-glasses.

### Your profile:

- Sales experience and interested in business development
- Interested in new technologies
- Strong team & communication skills
- Good planning and structuring skills
- Interested and willing to learn
- Basic knowledge in software development is a plus
- Fluent in German and English

## Your Job:

- Expand the sales pipeline and actively interact with new & existing customers
  - Active participation on the business side of an early stage startup
  - Further development of our vertical
- 

## Your Engagement:

- Start: Flexible and according to agreement
  - Duration: at least 3 months
  - Workload: 60 – 100%
  - Location: Zurich or home office
- 

## What we offer:

- Working in a fast growing startup team & environment
- Close work with cutting edge technology and the founders of the company
- Flexible working hours
