

JOIN OUR START-UP, ANURA-LEAGUE!

Anura-League is a location-based mobile game with collectible card game elements that seamlessly integrates the local nature right outside your door into its core gameplay. Our mission is to inspire young people to discover and appreciate biodiversity.

We're looking for:

Your expertise to develop with us the final version of Anura-League!

Are you a game developer passionate about mobile games? Then keep reading!

We are searching for 2–3 game developers (200–300% workload) – whether you're an individual or a small studio, we'd love to hear from you!

What you should bring:

- **Solid experience with Unity**
- Ideally, experience in developing and publishing mobile games
- Passion for innovative game mechanics and creative concepts
- An interest in animals and plants is a plus

Project start:

- **Starting in November 2025**, we'll begin working together on the final version of Anura-League
- Until then, we're assembling our team and **apply for funding together**

What we offer:

- A young, dynamic, and easygoing team that values your contribution
- **Fair payment** – depending on the funding we successfully raise together
- The **chance to step in as a co-founder** and help shape the future of Anura-League from the ground up

Ready to shape the future of Anura-League with us?

We're excited to hear from you and kick things off together!
