

Privacy Policy

Protecting your private information is our priority. This Statement of Privacy applies to <https://appshuttle.io> and AppShuttle, Inc and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to AppShuttle, Inc include <https://appshuttle.io> and AppShuttle. The AppShuttle website is a developer tools site. By using the AppShuttle website, you consent to the data practices described in this statement.

Collection of your Personal Information

AppShuttle may collect personally identifiable information, such as your:

- Name
- Address
- E-mail Address
- Phone Number

If you purchase AppShuttle's products and services, we collect billing and credit card information. This information is used to complete the purchase transaction.

AppShuttle may also collect anonymous demographic information, which is not unique to you, such as your:

- Age
- Gender

We may gather additional personal or non-personal information in the future.

Please keep in mind that if you directly disclose personally identifiable information or personally sensitive data through AppShuttle's public message boards, this information may be collected and used by others.

AppShuttle encourages you to review the privacy statements of websites you choose to link to from AppShuttle so that you can understand how those websites collect, use and share your information. AppShuttle is not responsible for the privacy statements or other content on websites outside of the AppShuttle website.

Use of your Personal Information

AppShuttle collects and uses your personal information to operate its website(s) and deliver the services you have requested.

AppShuttle may also use your personally identifiable information to inform you of other products or services available from AppShuttle and its affiliates. AppShuttle may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

AppShuttle may sell, rent, or lease customer information to third parties for the following reasons:

Your information may be shared to third parties in order to improve the experience of using AppShuttle. New Integrations and Updates may require other parties to access your information.

AppShuttle may, from time to time, contact you on behalf of external business partners about a particular offering that may be of interest to you. In those cases, your unique personally identifiable information (e-mail, name, address, telephone number) is transferred to the third party. AppShuttle may share data with trusted partners to help perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to AppShuttle, and they are required to maintain the confidentiality of your information.

AppShuttle may keep track of the websites and pages our users visit within AppShuttle, in order to determine what AppShuttle services are the most popular. This data is used to deliver customized content and advertising within AppShuttle to customers whose behavior indicates that they are interested in a particular subject area.

AppShuttle will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on AppShuttle or the site; (b) protect and defend the rights or property of AppShuttle; and, (c) act under exigent circumstances to protect the personal safety of users of AppShuttle, or the public.

Automatically Collected Information

Information about your computer hardware and software may be automatically collected by AppShuttle. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the AppShuttle website.

Use of Cookies

The AppShuttle website may use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize AppShuttle pages, or register with AppShuttle site or services, a cookie helps AppShuttle to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same AppShuttle website, the information you previously provided can be retrieved, so you can easily use the AppShuttle features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the AppShuttle services or websites you visit.

Security of your Personal Information

AppShuttle secures your personal information from unauthorized access, use, or disclosure. AppShuttle uses the following methods for this purpose:

- SSL Protocol

When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Sockets Layer (SSL) protocol.

Children Under Thirteen

AppShuttle collects personally identifiable information from children under the age of thirteen. AppShuttle collects this information for the following reason(s): We collect information about children under 13 in order to create an AppShuttle account and access all of the benefits given by its solutions..

We provide information about our personal data practices for children on our home page and wherever we knowingly collect personal data from children on our Web site. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website. If you are a parent and you have questions regarding our data collection practices, please contact us using the information provided at the end of this Statement of Privacy.

Disconnecting your AppShuttle Account from Third Party Websites

You will be able to connect your AppShuttle account to third party accounts. BY CONNECTING YOUR APPSHUTTLE ACCOUNT TO YOUR THIRD PARTY ACCOUNT, YOU ACKNOWLEDGE AND AGREE THAT YOU ARE CONSENTING TO THE CONTINUOUS RELEASE OF INFORMATION ABOUT YOU TO OTHERS (IN ACCORDANCE WITH YOUR PRIVACY SETTINGS ON THOSE THIRD PARTY SITES). IF YOU DO NOT WANT INFORMATION ABOUT YOU, INCLUDING PERSONALLY IDENTIFYING INFORMATION, TO BE SHARED IN THIS MANNER, DO NOT USE THE THIS FEATURE. You may disconnect your account from a third party account at any time. Users may learn how to disconnect their accounts from third-party websites by visiting their "Account" page. Users may also contact us via email or telephone. Once there, users may see a list of third-party websites using their account and disconnect them by clicking the "Disconnect" button.

Opt-Out & Unsubscribe

We respect your privacy and give you an opportunity to opt-out of receiving announcements of certain information. Users may opt-out of receiving any or all communications from AppShuttle by contacting us here:

- Web page: <https://appshuttle.io/optout>

- Email: hello@appshuttle.io
- Phone: +573016292686

Changes to this Statement

AppShuttle will occasionally update this Statement of Privacy to reflect company and customer feedback. AppShuttle encourages you to periodically review this Statement to be informed of how AppShuttle is protecting your information.
