ABOUT US

INTRODUCTION:

Army Industries is a leading B2B company with over 20 years of experience in the office furniture industry. We are dedicated to providing superior products and services to our valued resellers. With our specialisation in the manufacturing and distribution of high-quality office chairs, fabrication works, and chair parts and components, we have established ourselves as a trusted name in the industry.

OUR UNIQUE SELLING PROPOSITION:

At Army Industries, we pride ourselves on our commitment to innovation, efficiency, and superior craftsmanship. We understand the importance of delivering ergonomic and customisable office chair solutions that enhance workplace comfort and productivity. To simplify the purchasing process, we have developed an intuitive ordering app that streamlines the ordering and fulfilment process, saving our customers time and enhancing their overall experience.

PRODUCT AND SERVICE OFFERINGS:

We offer a wide range of office furniture solutions, with a particular focus on ergonomic office chairs. Our chairs are designed to prioritise comfort, support, and customisation. Whether it's adjusting the height, backrest, or armrests, our chairs can be tailored to meet specific customer requirements. In addition to office chairs, we excel in fabrication works and the production of chair parts and components, ensuring top-notch craftsmanship in every product we create.

CUSTOMER FOCUS

At Army Industries, we value our B2B relationships and understand the unique needs of our resellers. We prioritize prompt delivery, ensuring that orders are fulfilled in a timely manner to meet our customers' requirements.
