About **ASAM & Partners**

OUR EXPERIENCES

Established in 2005, ASAM has consistently delivered exceptional legal services to a diverse clientele, spanning major local and international companies, individuals, and prominent figures. Our achievements include spearheading significant lawsuits, addressing legal matters in government and private projects, acquisitions, and bankruptcy. We've successfully represented companies on the Kuwait Stock Exchange, navigating investigation committees, disciplinary councils, capital markets, and penal departments.

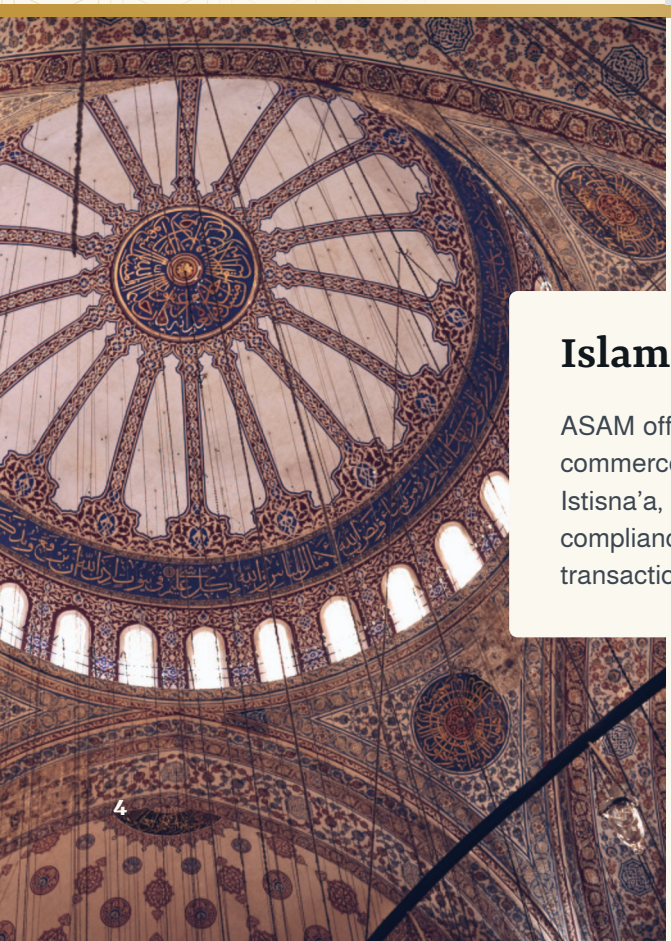

ASAM stands at the forefront of civil, commercial, criminal, and arbitration disputes, providing strategic counsel on landmark projects in Kuwait. Our legal expertise spans various sectors, including oil and gas, transportation, insurance, finance, Islamic transactions, and more. Notably, we offer specialized advice to companies listed on the Kuwait Stock Exchange, ensuring compliance with Law No. 7 of 2010.

Practice Areas

Banking & Finance

Our dynamic Banking & Finance division provides services ranging from corporate matters to specialized banking needs. We draft agreements, prepare standard forms, counsel on loans, debt rescheduling, and handle litigation related to banking and finance operations.

Islamic Finance

ASAM offers Shari'a-compliant solutions across finance, commerce and industry, specializing in Murabaha, Ijara, Istisna'a, Musharaka, and Sukouks. We ensure compliance with Islamic principles in banking, corporate transactions and litigations.

Corporate

ASAM serves regional and international corporations, financial institutions, and high-profile clients with expertise in corporate law, mergers and acquisitions, bankruptcy, arbitration, real estate, taxation and intellectual property. We help clients achieve their business goals by navigating complex legal landscapes with excellence and integrity.

Capital Markets

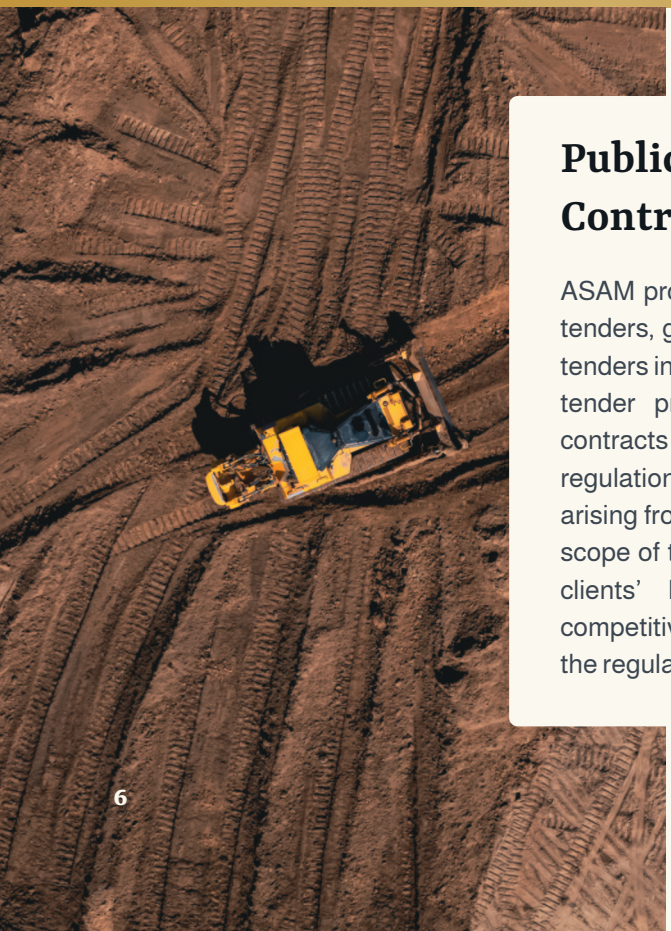

Our Capital Markets and Securities Law practice guides clients through financial regulations, disciplinary committees, and the Authority's Disciplinary Council, offering support for IPOs, mergers, acquisitions, and stock exchange listings. We emphasize robust compliance, helping clients align with local and international standards through tailored frameworks and proactive regulatory guidance. With a keen understanding of market trends, our team ensures transparency, mitigates risks, and protects clients' interests in a rapidly evolving financial landscape.

Competition & Market Regulation

Under Law No. 72 of 2020 on the Protection of Competition, ASAM assists clients in navigating Kuwait's competition laws, offering services to monitor and regulate market operations. We provide guidance on compliance with competition regulations, defend clients in investigations or legal actions initiated by the Competition Protection Agency, and address litigation matters related to unfair competition practices. Our team is dedicated to safeguarding clients' interests, ensuring that their market activities align with regulatory requirements, and maintaining fair market practices to support a healthy competitive environment.

Public Tenders & Governmental Contracts

ASAM provides comprehensive legal services for public tenders, guided by Law No. 49 of 2016 concerning public tenders in Kuwait. We support clients at every stage of the tender process, from drafting and reviewing tender contracts to advising on compliance with tender regulations and representing clients in legal matters arising from tender disputes. Our expertise covers the full scope of tender-related legal requirements, ensuring our clients' bids are structured for compliance and competitiveness while addressing potential challenges in the regulatory and litigation landscape.

Oil, Gas, & Energy

ASAM provides legal services for oil and gas sectors, covering exploration, construction, transportation and sales. Our lawyers manage contracts, subsoil rights, production sharing and dispute resolution across Kuwait and the GCC.

Insurance

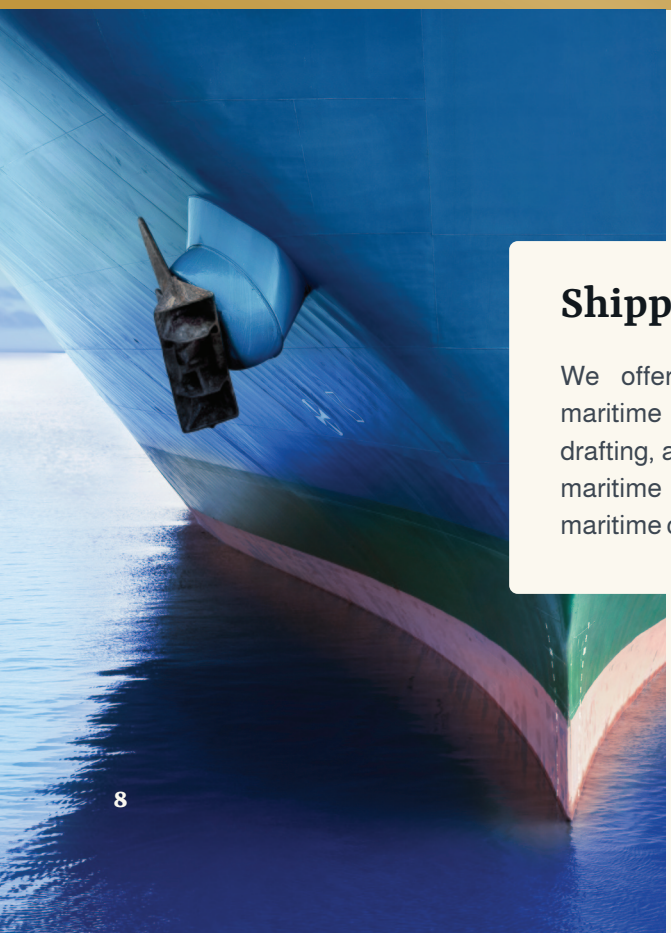

Kuwait's insurance sector, regulated by the Insurance Unit, offers a range of products, including health, life, property, and marine insurance, with both traditional and Islamic (Takaful) providers. ASAM is a leading law firm specializing in the insurance industry, offering expertise in regulatory compliance, risk management, contract drafting, claims handling, and dispute resolution. We represent insurers in complex litigation, arbitration, and mediation and provide support for M&A transactions, corporate restructuring, and cybersecurity compliance. Our dedicated team delivers tailored, results-driven legal counsel, ensuring strategic solutions and strong client relationships.

Aviation & Air Transport

ASAM advises aviation industry entities, provides incorporation services, contract drafting, and litigation support. We draft, review and advise on agreements for aircraft sales, leasing, financing, insurance, and claims related to accidents and damages.

Shipping Maritime

We offer comprehensive services in shipping and maritime law, including company incorporation, contract drafting, and dispute resolution under Kuwait's and GCC maritime laws. ASAM manages ownership, liability, and maritime claims.

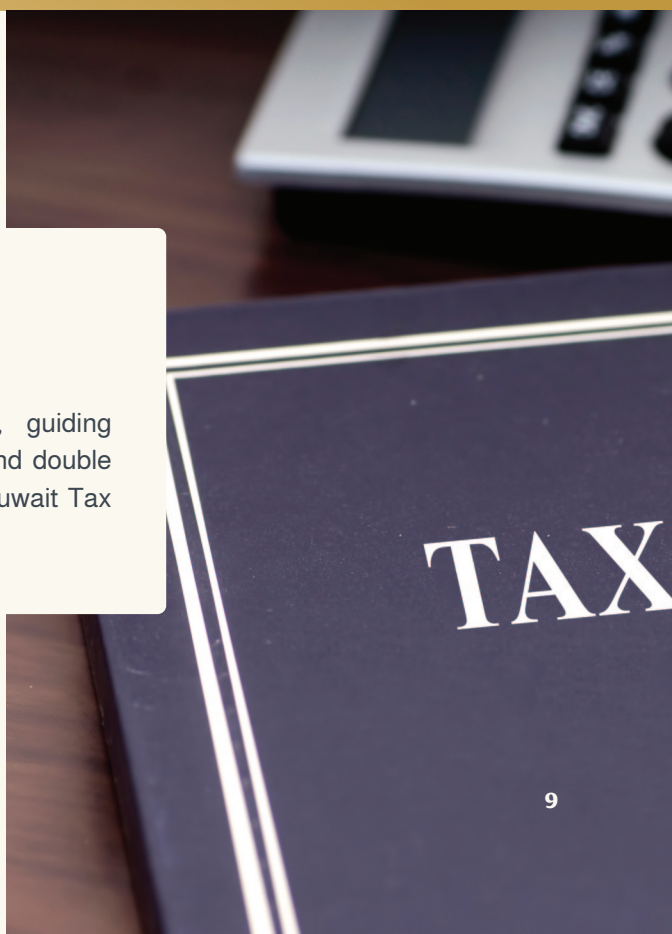

Real Estate & Property

Our attorneys specialize in legal aspects of land development, construction, maintenance and management of commercial buildings and villa projects, providing contract drafting and litigation support. We ensure compliance with local regulations and manage real estate transactions and risk management.

Taxation & Tax Dispute Resolution

ASAM provides tax consultancy services, guiding corporate clients on liabilities, tax planning, and double taxation issues. We represent clients at the Kuwait Tax Authority on tax assessments and disputes.

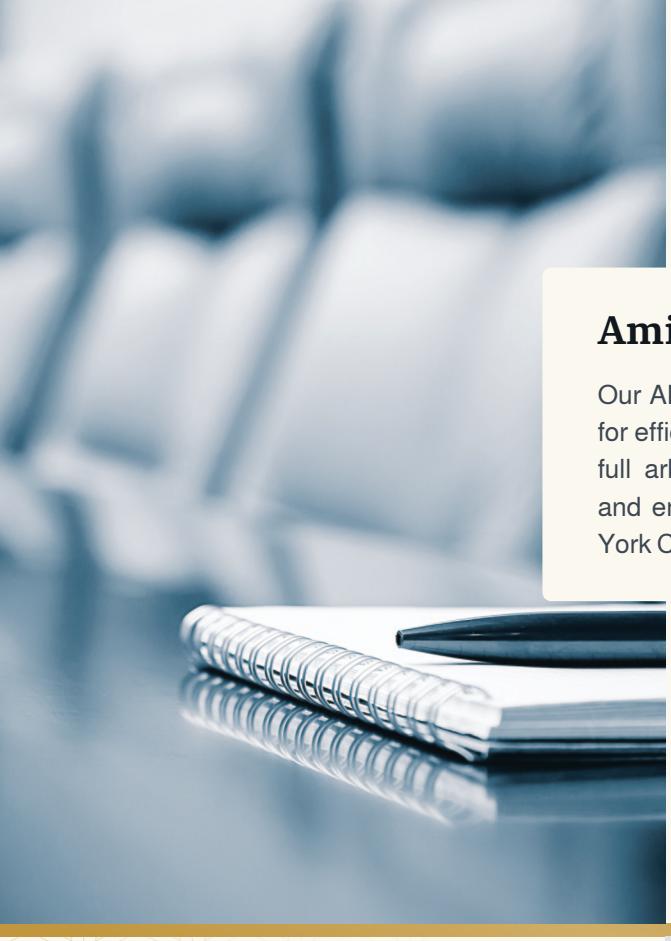

Intellectual Property

In today's competitive environment, protecting intellectual property (IP) is crucial for maintaining a competitive edge. Our Intellectual Property practice provides robust strategies to secure and enforce patents, trademarks, copyrights, and trade secrets. We assist clients with IP registrations, licensing, and litigation, helping them navigate the complexities of IP rights in domestic and global markets. Our goal is to empower clients to protect their innovations and brands effectively, supporting their growth and innovation.

Employment & Labor Disputes

Navigating employment law requires a strategic approach to address both compliance and dispute resolution. Our Employment and Labor Disputes practice advises on all aspects of employment relationships, from drafting contracts and compliance with labor laws to managing workplace disputes. We represent employers and employees in disputes related to wrongful termination, discrimination, and workplace policies, offering effective solutions to promote a harmonious and lawful workplace environment.

Amicable Dispute Resolution

Our ADR services include arbitration and conciliation for efficient dispute resolution. ASAM's attorneys offer full arbitration services, including claim preparation and enforcing awards internationally under the New York Convention.

Litigation & Arbitration

Our Litigation and Arbitration practice is dedicated to providing efficient and effective dispute resolution services. With expertise across a range of industries, we represent clients in both domestic and international arbitration and litigation proceedings. Our team works diligently to resolve disputes while prioritizing clients' business objectives. We offer tailored strategies to resolve conflicts, reduce risk, and minimize disruptions, ensuring that each case is managed with professionalism and precision.
