A Brief Report on Career Cell

Motto:

The year 2023 marks the birth of the Career Cell, ACI, a dynamic platform that aims to empower students in their pursuit of a fulfilling career. As the job market becomes increasingly competitive and complex, the ACI Career Cell seeks to provide students with the guidance, resources, and opportunities necessary to build a successful career.

Vision:

- To be the premier destination for career development and growth, where individuals can access personalized resources and support to achieve their career aspirations.
- To foster a culture of innovation and continuous learning that prepares individuals for the changing demands of the job market.
- To build a vibrant community of professionals and industry experts who collaborate to drive career development and success.

Mission:

- To provide comprehensive and customized career services that empower individuals to identify their strengths, explore career paths, and achieve their professional goals.
- To facilitate connections between individuals and employers, enabling them to build networks, gain exposure, and secure meaningful employment.
- To establish a culture of mentorship and leadership development that inspires individuals to become advocates for their own careers and agents of change in their industries.

Goal:

- To equip individuals with the skills, knowledge, and resources necessary to succeed in today's fast-paced job market.
- To create a culture of continuous learning and improvement that supports individuals throughout their career journeys.

- To build a dynamic and inclusive community that fosters collaboration, innovation, and professional growth for all members.

Future plans of the ACI Career Cell:

1. Enhanced Career Services

- Develop tailored coaching and online assessment tools to help students identify strengths and explore career paths.

2. Internship and Job Placement Programs

- Establish partnerships with companies for internships and create a job portal to connect students with potential employers.
- To equip individuals with the skills, knowledge, and resources necessary to succeed in today's fast-paced job market.

Output of the career cell:

Number of outgoing students placed and / or progressed to higher education year wise during the last five years

Number: 276
