

Privacy Policy

Overview

This Privacy Policy describes the information collected by Kids game popping balls. (“Kids game popping balls”, “we,” “us” or “our”) through our mobile applications and how we use that information.

We Don’t Collect Personal Information from Children with Our Applications.

When you download and use our mobile applications, we don’t require you to provide any information and we don’t collect any information about you or your device, except for non-personal information about the duration the App is used and how the App is used, such as the screens viewed and actions taken within our mobile applications.

We Comply with the Children’s Online Privacy Protection Act

Our mobile applications comply with the Children’s Online Privacy Protection Act (“ COPPA”). We don’t knowingly collect personal information from children under the age of 13, and if in the event that a user identifies himself or herself as a child under the age of 13 through a support request or through any feedback, we will not collect, store or use, and will delete in a secure manner, any personal information of such user.

When You Request Support, You May Send Us Email

We allow users to contact us if they have support questions about use of our mobile applications. If you submit a support request, we may receive your email

address and other information you provide related to your support request (“ Support Information”). We use Support Information only.

Changes to this Privacy Policy

We may amend this Privacy Policy from time to time. Use of information we collect is subject to the Privacy Policy in effect at the time such information is collected.
