

iPad Receiving Buddy Process

1. From the iPad desktop, Tap the RECEIVING icon; add the user Account, Client ID and Password. Tap LOGIN

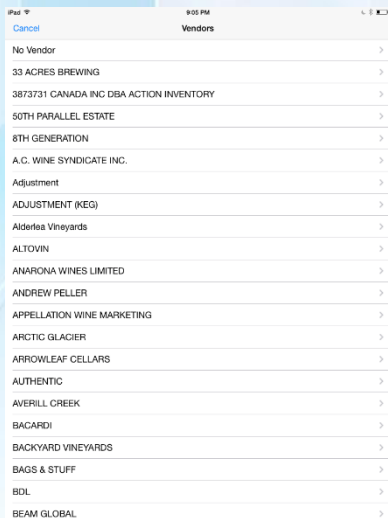

4. (Optionally) Select a Pending Order

Order ID	Date	Amount
No Order		
1460	2014-10-14	\$204.98
1406	2014-09-22	\$254.50
1323	2014-08-11	\$207.28

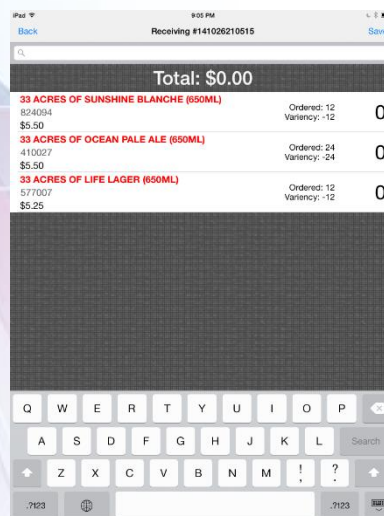

2. Select NEW RECEIVING

3. (Optionally) Select a Vendor

5. Enter Receiving Details

6. Scan product(s)

7. Tap on SAVE when all product has been scanned. The receiving information is sent to and accessed from the POS Manager, RECEIVING. Any final edits may be completed there before printing reports.
