

BeatSynQ Privacy Policy

At BeatSynQ, we prioritize your privacy and are committed to ensuring that your personal information remains secure. We want to assure you that BeatSynQ itself does not store any data about its users.

However, please note that BeatSynQ utilizes Google Firebase for certain functionalities. Google Firebase may collect and store data, but this information is completely anonymous and cannot be traced back to any individual user.

By using BeatSynQ, you agree to this privacy policy and understand that while BeatSynQ does not store your data, Google Firebase may collect anonymous information to help improve our app's performance and user experience.

If you have any questions or concerns about our privacy practices, please contact us at info@beatsynq.com
