

Moran Prairie Garden Club 2024-25

- 3-4pm Kindergarten Black Top
- *All grades welcome: students, staff, and parents (We break up into 4 groups and would love an adult at each raised bed for activities).*
- **Please bring an after-school snack and water bottle.**
- **Ask about our Summer watering sign-up (once a week).**

March 12

Sleeping Pollinators & Winter Sowing

Let our bugs sleep in and learn about not disturbing left over plant materials in our garden beds. Make mini greenhouses for our winter sowing event!

September 26

Welcome Back!

Explore our sensory plants, collect seeds, gather compost materials, and set up a brand new raised bed for fall garlic sowing!

October 23

Pumpkin Festival!

Name our FOUR raised beds and plant tulip bulbs. Pumpkin decorating & Halloween School Safe Snack Provided.

November 20

Winter Prep!

Learn how to protect living soil and cover our raised beds with compost. Introduction to winter sowing and invitation to save a milk jug for March!

April 23

Frost Hardy Planting

Plant seedlings which are strong enough to live through our cold Spring temperatures and sow seeds such as carrots, lettuce, radishes and more!

May 14

Planting Event!

The snow has melted and it's time for our warm summer vegetables! Let's plant and make some fresh squeezed lemonade. Come join us for our biggest and most colorful planting event!

June 4

Garden Party!

Summer is almost here and it's time to celebrate. We will gather with fresh garden themed activities, school safe treats, and music right next to our school raised bed garden.
