Inside the theatre there are rows of seats. Your ticket number will tell you where you are sitting. This will be your seat for the whole show.

The Very Hungry Caterpillar Show is a theatre show, not a movie. When you are in the theatre you will see a stage that looks like this.

There will be people on the stage telling you a story. They are called ‘performers’ or ‘actors’.

There will also be lots of puppets.

Some are big like Brown Bear.

Some are small like these rubber ducks.

Some are silly like this flamingo.

What other animals can you see?

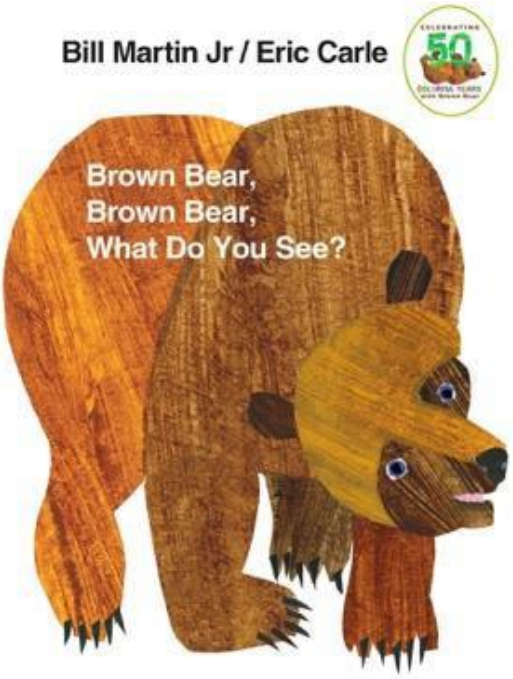

When the show starts, it will be time to be quiet and listen. The lights will turn down a little bit – but it will not go too dark.

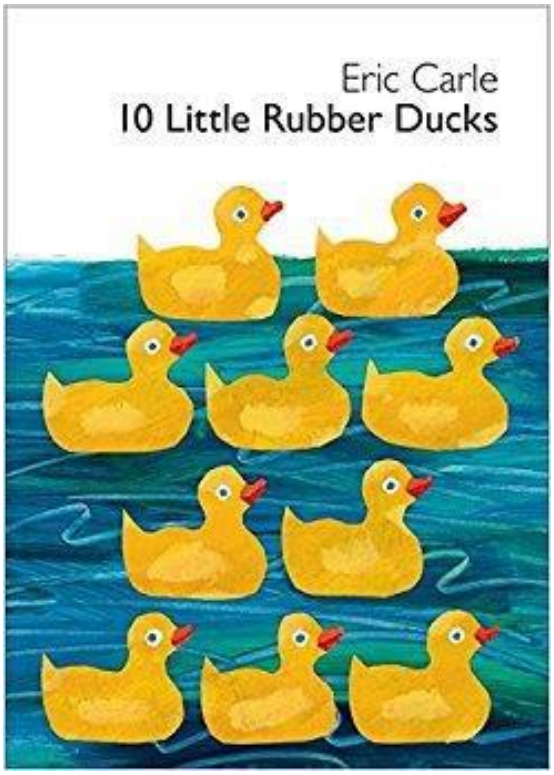

The performers will begin to tell you a story.

They will use words, acting, and lots of puppets!

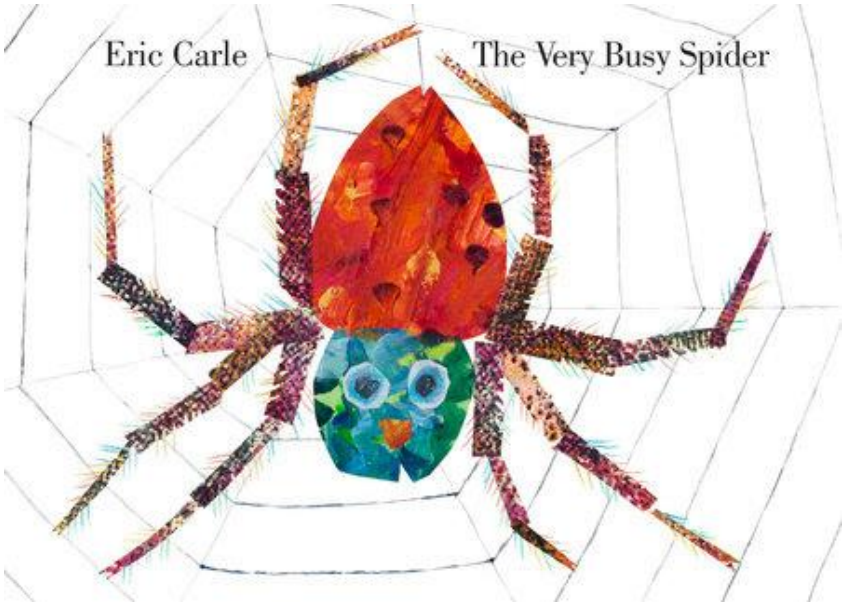

The stories they will tell you are…

When the show is finished, people will clap their hands to say thank you to the performers.

It’s great fun to go to the theatre.

We hope you enjoy your day at The Very Hungry Caterpillar Show!
