Confidence and Personality Building

# SUBJECTS COVERED

The course material covers the core subjects i.e. **Hindi English and Mathematics.**

The mock tests cover subjective as well as objective questions to prepare you thoroughly. Each mock covers selected questions which are picked on the basis of the previous years' question papers and their importance.

The preparation for an exam is a very important part of your child's life and should not be taken lightly. We will ensure your child understands the pattern of questions thoroughly to successfully pass the test.

# TOTAL PERCENTAGE ANALYSIS

- A minimum of 80% is required to pass the aptitude test. The student will be evaluated on different parameters which are as follows:
- A student must necessarily have obtained a minimum average of 80% in all examinations conducted by the school.

Apart from the score of aptitude test, the child will be evaluated on the basis of interview round.

- For the interview preparation we will train your daughter for confidence and personality building, so that she can face the interview round with confidence.

# HERE ARE SOME TIPS TO HELP YOU ACE THE MOCK TEST:

---

Practice all mock questions at least twice before attempting the final aptitude test.

It is important that you practice as many questions as possible to get familiar with the pattern of questions asked in the test

Make sure that you understand each question thoroughly, before attempting it.

**WE HOPE THESE TIPS WILL HELP  
YOU ACE YOUR MOCK TEST!**
