PROFESSIONAL SUMMARY

Former college student with a passion for computers, I bring a dynamic approach to full-stack development. My enthusiasm for learning drives me to stay at the forefront of emerging technologies, ensuring innovative solutions for complex problems. With a solid foundation in software engineering, I am dedicated to delivering high-quality code and collaborating effectively with diverse teams.

EDUCATION

Boca Code - Software Engineer Certificate   Jun 2023 - Aug 2023
Florida Atlantic University - B.S. Computer Science   Jun 2022 - Present

PROJECTS

Collector's Car Hub - LIVE | REPO
- Developed a **full-stack application** using **REST API** with **Express** and **Node.js**, implementing complete CRUD functionality backed with a **MongoDB**.
- Designed and implemented an aesthetically appealing and mobile responsive front-end using **Next.js,** with robust security using **Firebase Auth**.

Checkov To-Do App - LIVE | REPO
- Created a **full-stack task management application** enabling users to create checklists.
- Achieved **cross-platform accessibility** for both **web and native mobile applications** utilizing **React.js** and **React Native** technologies.

Hackathon - Redesigning Boca Code Intranet
- Utilized the **agile methodology** to collaborate with both the team and stakeholders in order to revamp the news and career page for an Intranet project for the school.
- Collaborated with the front-end team, employing **Next.js** and **TailwindCSS** technologies.

WORK EXPERIENCE

Venâncio USA - Warehouse worker   Aug 2022 – May 2023
- Introduced efficient inventory management techniques, reducing stock discrepancies by 80%
- Implemented rigorous quality checks, resulting in 97% accuracy and error-free packing of orders

Rave Pizza & Sushi - Front-of-House   Apr 2020 – Nov 2022
- Utilized strong interpersonal skills to provide exceptional customer service in a fast-paced restaurant environment.
- Provided exceptional customer service, resulting in positive feedback and increased customer loyalty and accumulated a record-breaking amount of tips during a day.
