

# PETER LEWANDOWSKI

## Software Engineering

Deerfield Beach, FL | P: 561-542-6560 | [mapiotr2010@gmail.com](mailto:mapiotr2010@gmail.com) | [linkedin.com/in/peterlewandowski2010](https://www.linkedin.com/in/peterlewandowski2010)

**Programming Languages:** JavaScript | Typescript | HTML | CSS | SQL

**Technologies:** React | NextJS | RestAPI | Git | CLI | NodeJS | ExpressJS | NoSQL | AWS | GCP

### PROJECTS

---

**Veerii - Application for Realtors** Oct 2022 - Present

- Leading development of CRM software on a 3-person team. Technologies: AWS S3, EC2, React, NextJS, Redux, MongoDB
- Created wireframes for landing page and dashboard. Adapted existing React components to work with unique property data.

**Boca Code Intranet - Application for Students & Alumni** Jan 2022 - Present

- Distributed team-based project built in ReactJS, NodeJS, ExpressAPI, and Firestore database.
- Refactored Javascript code for type safety using TypeScript.

**Techthanks - Smart Contract Blockchain Application** Jun 2022

[techthanks.com](https://techthanks.com) | [github.com/peterlewandowski/tech-thanks](https://github.com/peterlewandowski/tech-thanks)

- Contributed to design and implementation of a web application on a 3-person team in the VentureMiami hackathon.
- Enabled users to thank their mentors with virtual points sent via smart contract; the team was **awarded 2nd place** in the NEAR blockchain implementation category; built using TypeScript, ReactJS, MaterialUI Components.

**Easyfi - Single-Page Web Application** Mar 2022

[easyfi.me](https://easyfi.me) | [github.com/peterlewandowski/easyfi-project-web](https://github.com/peterlewandowski/easyfi-project-web)

- Designed and coded a web application to create, save, and edit investment strategies in a user authenticated dashboard.
- Built using JavaScript, ReactJS, NodeJS, Express API, Document Database (Firestore). Deployed on Google App Engine.

### WORK EXPERIENCE

---

**Boca Code, Software Engineer (Boca Raton, FL)** Jun 2022 – Jan 2023

- Worked with over **30+** software engineering students helping develop learning processes and effective debugging techniques.
- Conducted **15** technical and behavioral practice interviews with students resulting in improved problem solving techniques and understanding of JavaScript code challenges at the beginner and intermediate level.
- Contributed **40** code commits to Midi-Modo, a web3 NFT project build with React.js and SCSS.
- Managed alumni internship team of **19** members developing internal applications for bootcamp students and alumni. Led two week sprints and held weekly hybrid team meetings. Implemented a version-control system using Github Projects.

**InspereX, Internal Wholesaler (Delray Beach, FL)** Jan 2019 – Dec 2021

- Led regional territory wholesaling activities for Market-linked/Structured products education of wealth managers and financial advisors. Conducted over **50** technology platform walkthroughs resulting in over **70** newly onboarded users.
- Reached over **100** million dollars in sales within the first year in the new position utilizing Salesforce and PowerBI platforms to gain new territory insights.
- Earned Series 7/63 licenses, became a registered financial representative. Increased month-over-month revenues from newly acquired business opportunities.
- Prospected and uncovered new business relationships with over **50** new advisors leading to over **10** million dollars in sales.

**Best Buy, LG Experience Expert (Boca Raton, FL)** Oct 2017 – Dec 2018

- Assisted clients and associates with technology purchasing decisions, leading to a **10%** increase in sales of LG home theater products, month- over month.
- Fully trained and onboarded **8** team-members on product knowledge within new LG home theater technology; resulting in successful LG certification.
- Promoted to full-time associate after surpassing sales goals by **25%** in the first 6 months as seasonal associate.

### EDUCATION

---

**Boca Code, Software Engineering Career Course (Boca Raton, FL)** Mar 2022

**University of Florida, Bachelor of Science in Business Administration (B.B.A.), Economics (Gainesville, FL)** May 2014
