## PROJECTS

### Brunch'n

Repo: <https://github.com/AliciaMyrie/brunchn-backend-api>

- Created a full stack web application, using Javascript, MongoDB, Express, and Node.js
- Allows the user to browse curated local brunch spots, giving them the ability to increment their like count

### IG-Clone

Repo: <https://github.com/AliciaMyrie/ig-clone-mobile>

- Created a replica of Instagram using React Native
- Created an Express API in Javascript to perform a GET for photos to fill the feed

### Photo Cropper

Repo: <https://github.com/AliciaMyrie/electron-photo-cropper>

- Created an Electron app with the ability to crop a photo and save the altered photo to your computer

### Mythical Buddies

Repo: <https://github.com/bocacode/mythical-buddies-react>

- Collaborated and communicated with over 22 of my peers, to reproduce a front-end web-page for an NFT collection
- Worked in an AGILE/SCRUM environment

## WORK EXPERIENCE

### Caregiver

Golden Age Caregivers - Boca Raton, FL

2017 - 2022

- Maintained a clean and well-organized environment for client happiness and safety
- Improved patient outlook and daily living through compassionate, quality care.
- Developed strong and trusting rapport with patients to foster better patient client relationship

### Audio Sales Associate

Brandsmart USA - Sunrise, FL

2013 - 2017

- Optimized the sales of my department by implementing better marketing techniques that drove more traffic to the store
- Maintained knowledge of products, current sales and promotions, policies regarding payment and exchanges, and security practices
- Built trusting relationships with customers by making personal connections, resulting in repeat business

### Office Manager

MEK Transportation, LLC - Tamarac, FL

2009 - 2013

- Took Initiative to organize and store all office inventory properly, which resulted in elevated customer satisfaction ratings and decreasing client and case issues effectively.
- Contributed to onboarding new staff, training them, and being a resource for them to ensure all company policies were followed.
- Tasked with handling scheduling, time management and effectively allocating resources to employees or where needed.
- Collaborated with co-workers to innovate the flow of placing new supply orders, alleviating the founder of clerical work.
