

# Café™ ENERGY STAR® 27.6 Cu. Ft. 4- Door French-Door Refrigerator

Model#: CVE28DP2NS1

Café™ Series

- Customize temperature settings to suit your needs - Enjoy the flexibility of an adjustable-temperature drawer with settings as low as 23 degrees or as high as 42 degrees, and keep items organized with sliding glass dividers
- Unmatched visibility meets undeniable style - Relish the bright, uniform light of an LED light tower that spans the back wall of the refrigerator, illuminating the fresh food section so every item is easy to find
- No need to wait as you fill your glass - Effortlessly fill containers with filtered water by simply pressing the Auto Fill button, which uses sensors to dispense the perfect amount every time
- Different environments, equal freshness - Keep your produce fresh thanks to a Humidity Control System with two bins—a sealed Wet Zone that maintains high humidity for vegetables, and a vented Dry Zone that maintains low humidity for fruits
- The perfect place in the freezer for flatbreads and more - Easily pull out a slim, full-width tray to accommodate gourmet pizzas and other frozen, uniquely shaped items
- Easily wipe away smudges and fingerprints - For a look that's always sparkling clean
- Any food, always fresh - From produce to packaged goods, keep any food fresh with TwinChill™ evaporators that create separate climates in the fresh food and freezer sections
