18. Please do not put the food directly against the air outlet, so as to avoid the food freezing.
19. Please do not put the food directly against the glass panel, so as to avoid the food freezing.
20. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
21. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
22. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
23. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
24. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
25. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
26. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
27. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
28. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
29. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
30. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
31. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
32. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
33. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
34. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
35. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
36. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
37. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
38. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
39. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
40. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
41. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
42. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
43. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
44. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
45. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
46. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
47. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
48. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
49. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
50. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
51. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
52. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
53. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
54. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
55. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
56. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
57. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
58. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
59. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
60. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
61. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
62. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
63. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
64. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
65. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
66. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
67. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
68. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
69. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
70. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
71. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
72. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
73. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
74. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
75. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
76. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
77. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
78. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
79. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
80. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
81. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
82. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
83. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
84. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
85. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
86. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
87. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
88. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
89. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
90. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
91. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
92. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
93. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
94. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
95. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
96. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
97. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
98. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
99. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
100. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
101. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
102. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
103. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
104. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
105. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
106. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
107. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
108. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
109. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
110. Please do not put the food directly against the inner wall of the refrigerator, so as to avoid the food freezing.
111. Please do not put the food directly against the inner wall of the freezer, so as to avoid the food freezing.
