Description :

PDF-fe8af | Addiction is a disease that affects many lives, and it's something that is still being studied. But while there is no cure, there is hope—a hope for people who suffer with addiction. Some people may find the help they need, but many others may not. It's in My Genes is a true story of a young girl who grew up watching the struggle of her own mother fighting alcoholism—only to wind up herself... *It's in My Genes*
