Description :

PDF-6f039 | What is at the basis of moral action? An altruism acquired by the application of rule and principle? Or, as Noddings asserts, caring and the memory of being cared for? With numerous examples to supplement her rich theoretical discussion, Noddings builds a compelling philosophical argument for an ethics based on natural caring, as in the care of a mother for her child. The ethical behavior that gro... *Caring: A Feminine Approach to Ethics and Moral Education, Second Edition, with a New Preface*
