Description :

PDF-eb64a | This book introduces readers to co-creation --- a complex, value-based, context-driven and collaborative effort to develop new paradigms, products and services to satisfy human wants. Co-creation is built not only around the perceptions of challenges, cause-and-effect relationships and constraints, but also around available alternatives for dealing with or overcoming those challenges. Co-creation ... *Co-Creation and Learning: Concepts and Cases (SpringerBriefs in Business)*
