Description :

PDF-92f60 | This thought-provoking book explores the 'whats,' 'whys,' and 'hows' of integrating feminist theory and methods into applied research and evaluation practice. Illustrative cases drawn from U.S. and international studies address a range of social and health issues. The book provides an overview of feminist theory and research strategies as well as detailed discussions of how to use a feminist lens... *Feminist Evaluation and Research: Theory and Practice*
