Description :

PDF-7119e | Persuasive evidence demonstrates that gender equality in education is central to economic development. Despite more than two decades of accumulated knowledge and evidence of what works in improving gender equality, progress on the ground remains slow and uneven across countries. What is missing? Given that education is a critical path to accelerate progress toward gender equality and the empoweme... *Girls' Education in the 21st Century: Gender Equality, Empowerment and Growth (Directions in Development)*
