Description :

PDF-c4424 | This eye-opening study served as a wake-up call, exposing the systematic bias that girls face in education. While girls and boys enter school roughly equal in measured ability, by age fifteen girls have poor self-images and constrained views of their futures. In addition to a wealth of data, the report also suggests specific strategies to effect changes. This book catalyzed local, state, and nation... *How Schools Shortchange Girls: The AAUW Report : A Study of Major Findings on Girls and Education*
