Description :

PDF-5586b | The IFIP series publishes state-of-the-art results in the sciences and technologies of information and communication. Proceedings and post-proceedings of referred international conferences in computer science and interdisciplinary fields are featured. These results often precede journal publication and represent the most current research. The principal aim of the IFIP series is to encourage educati... *Integration and Innovation Orient to E-Society Volume 1: Seventh IFIP International Conference on e-Business, e-Services, and e-Society (I3E2007), ... in Information and Communication Technology)*
