Description :

PDF-83b34 | Nearly all business-to-business firms interact and have contractual relationships with upstream, downstream and parallel operating enterprises. How firms design and implement these relationships effectively, overcome poorly performing network linkages, and manage change in interfirm networks are the major topics that Volume 17 covers. The three papers in Volume 17 report new theory and in-dept... *Interfirm Networks: Theory, Strategy, and Behavior (Advances in Business Marketing and Purchasing)*
