

Student Node Presents

Tech Year 2022

Tech Boat • Tech Leaders Boat • Tech Tower

Tech Year 2022

The IT talents today get too much social med noise and are overwhelmed by job offers. As an employer you therefor have to become more personal and memorable to distinguish yourself from other employers. At unique and creative tech events such as Tech Boat and Tech Tower, selected IT talents gather to meet good employers. Do you want to take the opportunity to build your brand and attract the talents or will you continue to be part of the noise?

Why should you take part?

Become memorable

The experience at the events is something very unique. You will be remembered and get to meet the IT talents that you need to strengthen your brand towards to get more applications.

Get more applications

Millennials are attracted by a workplace with great colleagues. At the tech events you will be able to spend time with the IT talents that want to work with you.

Statistics & report

You will get a report after the event detailing how we have promoted the event and statistics showing what and where the IT candidates have studied along with their graduation year.
