

# CHARTING YOUR COURSE

**Instructions:** Visit the Accounting+ website [see resources below] and explore the pages to learn more about how you can combine accounting with your different passions. As you read, take note of common accounting responsibilities within the featured industries. What follow-up questions come to mind after exploring the pages? Once you're done, complete the worksheet below.

**Take three minutes and write down a list of what you're passionate about. This could include hobbies you really enjoy spending time on, such as playing sports, listening to music, or watching TikTok videos. Circle the one you wouldn't mind making a career.**

**How do you think accounting is involved in the \_\_\_\_\_  
(e.g., sports, music, content creation) industry?**

If you wanted to learn more, what questions would you ask an accountant who specializes in \_\_\_\_\_ industry?
