

2021-22 Fall Science Unit Training Information

The deadline to register for trainings is one week prior to the scheduled workshop date.

Unit Trainings – What to bring

Teacher Guide

- If you do not already have a teacher guide you will need to place an order for one.
- To order send a district PO to twells@bcamsc.org. If you would like to pick-up the teacher guide at training please indicate so on the PO, otherwise the teacher guide will be shipped to the address indicated.

Laptop

- You will need to bring a laptop with you
- The CCS online platform will be used. In addition, we will use the free web based Sage Modeler and ArcGIS mapping to explore ways to integrate the computer science standards in the science curriculum.

Lunch

- Lunch will be provided as part of the Registration Fee. *Some special needs diets can be accommodated (Gluten Free/Vegetarian. Please indicate on your registration form if a special lunch is needed)*

Other Information

Middle School Trainings

- Each Middle School Science Unit training will require a two day training session. Experience has proven that one day of training is not sufficient to completely cover the content demands of a NGSS Middle School topic bundle that the middle school curriculum is designed around.

Cancellation Policy

- Cancellations must be made 24 hours prior to the start of the workshop
- If your district ordered a teacher guide for you, it will be shipped at the districts expense
- If you do not cancel and do not attend you will be charged the predetermined rate for the workshop

Cereal City Science reserves the right to cancel any Science Unit Trainings if the minimum enrollment (5) has not been met.

*For questions regarding science unit trainings please call Cindy Older at (269) 213-3824
or email cindy@bcamsc.org*

Cereal City Science Unit Training

2021-2022 K-5 Science Unit		Presenters
Deadline to register is one week prior to the scheduled training.		BCAMSC Science Unit Consultants
Class Size		Location
Max. 28 each / Min. 5 each We reserve the right to cancel training if the minimum enrollment is not met.		BCAMSC 171 W. Michigan Ave Battle Creek, MI 49017
Audience:	K-5 School Teachers	Questions
Description:	BCAMSC Science Unit training is for teachers who are planning to use the units in their classroom.	Please call Cindy Older at: 269-213-3824

Professional Development

Full Day \$90

Training Material

For inquiries on either purchasing or pricing on TG's
please call Timeka Wells:
(269) 213-3907

Current Units		Fall Dates	
Grade	Title	Date	Time
KPNG	Motion: Pushes & Pulls	11/8/2021	8:30 am - 3:00 pm
KENG	Weather & Climate	10/20/2021	8:30 am - 3:00 pm
KLNG	Plants and Animals Live Here	10/5/2021	8:30 am - 3:00 pm
1PNG	Waves: Light & Sound	11/9/2021	8:30 am - 3:00 pm
1ENG	Space Systems: Patterns & Cycle	10/21/2021	8:30 am - 3:00 pm
1LNG	Plant and Animal Traits	10/6/2021	8:30 am - 3:00 pm
2ENG	Changing Earth: Today & Over Time	10/19/2021	8:30 am - 3:00 pm
2PNG	Structures & Properties of Matter	11/11/2021	8:30 am - 3:00 pm
2LNG	Plant and Animal Relationships	10/7/2021	8:30 am - 3:00 pm
3ENG	Weather, Climate & Natural Hazards	10/13/2021	8:30 am - 3:00 pm
3PNG	Forces & Interactions	11/1/2021	8:30 am - 3:00 pm
3LNG	Life Cycles and Survival in an Ecosystem	9/14/2021	8:30 am - 3:00 pm
4ENG	Earth Systems: Processes that Shape the Earth	10/12/2021	8:30 am - 3:00 pm
4PNG	Energy & Waves	11/3/2021	8:30 am - 3:00 pm
4LNG	Structure, Function and Survival	9/16/2021	8:30 am - 3:00 pm
5ENG	Earth & Space Systems	10/14/2021	8:30 am - 3:00 pm
5PNG	Structures & Properties of Matter	11/4/2021	8:30 am - 3:00 pm
5LNG	Matter and Energy in an Ecosystem	9/15/2021	8:30 am - 3:00 pm

All K-5 Science Unit trainings are now a full day.
