6. Point & Ranking System:

For ranking of Players will be done by point mechanism. How the points will be calculated are given below:

- Distance Points: Every 25 km will earn you 1 Point.
- Consistency Bonus: 1 extra point for riding a minimum of 25 km each day for 7 consecutive days (Example: if you ride 7 consecutive days three times during the event, you will earn 3 bonus points)
- Endurance Bonus: 7 additional points for riding a minimum of 25 km daily for 77 consecutive days.
- Indoor Ride Adjustment: Indoor rides earn 75% of the points, equating to 0.75 points for every 25 km.**
- Tiebreaker: In the event of a tie, the total kilometres ridden will determine the higher rank.
- Examples of points system:

	Ride Distance (Kilometres)	Points Earned (Outdoor Cycling)	Points Earned (Indoor Cycling, 75% point)
A	25	1	0.75

7. Management:

- All the riders Strava Account will be linked to our website www.letscng.com and the ride data for the period will be pulled directly by the website from riders Strava Account;
- All participants must mandatorily link their Strava Account with the website www.letscng.com for data;
- Final decision-making authority rests with the Admins/Disciplinary Committee in case of disputes or uncertainties.

8. Important STRAVA Rules & Clarifications

- No ride under 25 kilometres as per Strava will be considered under any circumstances;
- In case two rides of a rider overlaps (due to use of multiple devices) at any given point of time, only the longest ride will be considered;
- ELAPSED TIME of a single ride on STRAVA cannot be more than 3x of the ride time. Few examples:**
 - If ride time is 65 mins then elapsed time cannot be more than 195 mins (65x3 mins)
 - If ride time is 1:00 Hour then elapsed time cannot be more than 3:00 Hours (1:00x3 Hrs)
 - If ride time is 3:30 Hours then elapsed time cannot be more than 10:30 Hours (3:30x3 Hrs)
- NO tagged rides on Strava, tagged rides will not to be considered;
- It is advised to ride few meters extra and not to stop at exact 25 kilometres, as because there may be few meters of data loss post transfer from Garmin/iWatch etc. to Strava. 24.99 kilometres is not 25 kilometres and will not be considered.

9. Disciplinary Committee (DC):

The establishment of a Disciplinary Committee (DC) composed of three non-participating riders is a proactive measure to ensure fairness and integrity at the event. The DC will have the authority to address complaints, including those related to cheating, and their decisions will be conclusive. This committee will be constituted prior to the commencement of the event to maintain a transparent and just environment for all participants.
