

A vibrant poster for the 'Mission Chandrayaan' cycling event. The background is a dark space with stars, a large full moon in the top right, and a view of Earth from space in the bottom left. A yellow satellite with solar panels orbits in the center. An astronaut in a white suit is riding a yellow bicycle on a red, curved path that resembles a lunar surface. Various floating items include a blue helmet, a red rocket, a blue water bottle, and a pair of orange sunglasses. The top has a horizontal bar with a color gradient from orange to purple. The bottom features a black grid pattern.

**CONCEPT NOTE MISSION CHANDRAYAAN**  
*(Ride to the Moon – Virtually!)*

**1. BACKGROUND OF "MISSION CHANDRAYAAN"**

The average distance between Earth and the Moon is 3,84,400 kilometers (2,38,855 miles). This is about 30 times the diameter of Earth. The Moon's orbit around Earth is elliptical, so the distance between the two bodies varies slightly. The Moon's closest approach to Earth is called the perigee.

**2. JOIN THE JOURNEY**

Be part of a unique cycling experience that mirrors India's lunar mission. Ride solo, contribute to a collective goal, and earn your place among the stars!

## 12. RIDE QUALIFICATION CRITERIA:

- a) No Maximum limit on kilometres covered by an individual rider.
- b) **Activity below 15 km in a single ride won't be added/considered.**
- c) **Multiple rides in a day are allowed**, subject to a minimum of 15 km/ride.

## 13. IMPORTANT STRAVA RULES & CLARIFICATIONS

- a) **INDOOR CYCLING Guidelines:**
  - i. INDOOR CYCLING is permitted only if the activity is recorded on a smart device and successfully synced with Strava.
  - ii. **Maximum 50 km per day** will be counted for indoor cycling activities.
  - iii. Any distance beyond 50 km per day will be disregarded.  
Example: If a rider logs 56.50 km indoors, only 50 km will be considered.
- b) **Minimum Ride Distance:** Rides under **15 km**, as recorded on Strava, will **not be accepted** under any circumstances.
- c) **Overlapping Rides:** If a rider logs overlapping rides (e.g., using multiple devices), **only the longest ride** during that time period will be considered.
- d) **Tagged rides** on Strava will **not be counted**. Please ensure your rides are recorded individually.
- e) **Distance Accuracy Tip:** Riders are advised to ride a few extra meters beyond 15 km to account for potential data loss during syncing from devices like Garmin or iWatch to Strava. 14.99 km is not 15 km and will not be considered valid.

## 14. MANAGEMENT:

- a) If a ride is FLAGGED - discuss with the 'data admins'. Names of 'data admins' will be announced before the start of the event.
- b) All participants will have a separate WhatsApp Group (Admins will be allocated by Team CNG)
- c) All the riders Strava Account will be linked to our website [www.letscng.com](http://www.letscng.com) and ride data for the period will be pulled directly by the website from riders Strava Account.
- d) All participants must mandatorily link their Strava Account with the website [www.letscng.com](http://www.letscng.com) for Mission Chandrayaan data.
- e) In case of any dispute or ambiguity, decision of Organising Committee will be final.

## 15. DISCIPLINARY RULES:

- a) Minimum Age should be 14 years completed as on 31<sup>st</sup> August, 2025.
- b) ONLY MANUAL CYCLES ARE ALLOWED IN THIS EVENT.
- c) E-CYCLES/e-Bikes are NOT ALLOWED for this event.
- d) During the event, Participating Rider must ride his/her bicycle in a safe manner and comply with the applicable road safety measures & traffic regulations.
- e) The rules of the event may be altered or modified by the Organising Committee at any time during the event, keeping in mind the spirit of the event.
- f) Decision of the Organising Committee will be final and binding on all participants.

## 16. DISCIPLINARY COMMITTEE & DATA ADMINS:

To ensure fairness, transparency, and smooth data handling throughout the event:

### a) Disciplinary Committee (DC)

- A **three-member Disciplinary Committee** will be formed prior to the event launch.
- The committee will oversee all disputes and rule violations.
- **Decisions made by the DC will be final and binding** for all participants.

### b) Data Admins (DA)

- Dedicated **Data Admins** will be announced to assist riders with any technical or data-related issues.
- You can reach out to them for help with:
  - Sync issues or Missing ride data
  - Incorrect ride data
  - Any other discrepancies related to Strava uploads

## 17. Disciplinary Actions

- a) **ANY RIDE IS FLAGGED AND A RIDER IS CAUGHT CHEATING, HIS/HER KM WILL BE DEDUCTED 2.0X (Two TIMES) OF RIDE(S) REMOVED DUE TO FLAGGING.**
- b) If a ride is flagged, it means it is under review. Flagging of a ride does not mean that the ride is deleted from database.
- c) *The spirit of the event is to get you to cycle the maximum you can.*  
**"Any complaints of cheating, foul play, technical manipulation, misrepresentation etc. will be dealt with very strictly, including but not limited to disqualification of rider"**

## 18. Disclaimer & Waiver

By participating/registering in the cycling event organized by CNG Foundation ("CNG"), all **riders** acknowledge and accept that they do so at their own risk. CNG, its organizers, sponsors, volunteers, and affiliates shall not be held liable for any injury, accident, loss, or damage to person or property that may occur before, during, or after the event. Riders are solely responsible for their own safety, equipment, and conduct throughout the event.
