# Is there a dive shop on site?

#SurfaceInterval

## Dive shop

We have a small shop in the main building with tanks, regulators, dive lights, cookies, spare parts and other equipment needed for this kind of diving.

## Order in advance

If you desire any special equipment, feel free to request in advance and we will do our best to have it waiting for you upon arrival.

## Test before you buy

Since we are located right next to the cave you have a unique opportunity to test the gear before buying.
