

# Tulgaa Enkhbold

## Lead UI/UX Designer

### EXPERIENCE

#### UI/UX Designer

##### MUST Company

Feb 2026 - Present, Ulaanbaatar, Mongolia ( Remote )

##### MUST Custody

- Designed a multi-tenant digital asset custody platform, simplifying complex workflows like transaction approvals, wallet management, and role-based access.
- Built a scalable design system supporting multiple MUST products, ensuring consistency and faster development across teams.

#### Lead UI/UX Designer

##### Zero Technology LLC

Dec 2022 - Feb 2026, Ulaanbaatar, Mongolia

##### GS25 Vendor Portal

- Designed the vendor portal to improve collaboration between vendors and merchandise managers, replacing inefficient email and call-based communication.
- Developed an intuitive dashboard for vendors to track product performance, financial data, and order statuses, reducing manual workload and improving decision-making.

##### APU Company – Sales Representative & Customer App

- Led the design sprint for APU's sales representative app, optimizing workflows through wireframing and interactive prototypes.
- Designed UI for mobile, tablet, and web platforms, ensuring a smooth and responsive experience.

##### APU Dairy – Intelligent Milk Center

- Designed an intuitive admin panel to optimize milk collection, quality control, and supplier management.
- Conducted user research and usability testing to refine workflows and enhance the overall experience.

##### +emp – Part-Time Job Mobile App

- Facilitated a design sprint for GS25's part-time job mobile app, rapidly prototyping solutions to key user challenges.
- Iteratively refined the UI based on user feedback, delivering an intuitive and user-friendly experience.
