Floor Plans

The new way of living.

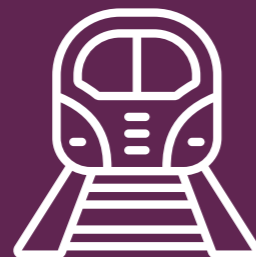

With 360 degree rotating TVs and a built-in smart hub letting you control your blinds, heating, TV, lights and door all from your phone, this is our most high-tech apartment yet. With utility bills, internet and a concierge service included too, you could say we've taken all-inclusive to a whole new level.

Just a stone's throw from Albert Square and the Arndale Centre, it's city centre location is just as impressive, making it our most luxurious property in Manchester yet! Surrounded by shops, bars, restaurants and pubs, you've got everything you need within walking distance.
