Tracking & Cookies Data

We use cookies and similar tracking technologies to track the activity on our Service and hold certain information.

Cookies are files with small amount of data which may include an anonymous unique identifier. Cookies are sent to your browser from a website and stored on your device. Tracking technologies also used are beacons, tags, and scripts to collect and track information and to improve and analyze our Service.

We may collect information about your computer, including where available your IP address, operating system and browser type, and your mobile phone, including details of your mobile handset and mobile software, for system administration and to collate aggregate information. This is statistical data about our users' browsing actions and patterns and the use of our app, and does not identify any individual.

For the same reason, we may obtain information about your general internet usage by using a cookie file which is stored on the hard drive of your computer. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Service.

Examples of Cookies we use:

- **Session Cookies.** We use Session Cookies to operate our Service. Third parties may place cookies on your browser for targeted advertising.
- **Preference Cookies.** We use Preference Cookies to remember your preferences and various settings.
- **Security Cookies.** We use Security Cookies for security purposes.

How we use the information we collect

We use the collected data for various purposes:

- To provide and maintain the Service
- To notify you about changes to our Service
- To allow you to participate in interactive features of our Service when you choose to do so
- To provide customer care and support
- To provide analysis or valuable information so that we can improve the Service
- To monitor the usage of the Service
- To detect, prevent and address technical issues
- For research and development
- Send information regarding new features and product offerings – Targeted advertising.

Third Party Providers

We employ other companies and people to perform tasks on our behalf and need to share your information with them to provide products or services to you; for example, we may use a payment processing company to receive and process your credit card transactions for us. Unless we tell you differently, our agents do not have any right to use the Personal Information we share with them beyond what is necessary to assist us, unless otherwise described in this Privacy Policy.

How we share the information we collect

Your information, including Personal Data, may be transferred to — and maintained on — computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ than those from your jurisdiction.

All information provided to us is stored on our secure servers. Where you have chosen a password, you are responsible for keeping this password confidential. We ask you not to share a password with anyone. Unfortunately, the transmission of information via the internet is not completely secure. Although we will do our best to protect your personal data, we cannot guarantee the security of your data transmitted to our site; any transmission is at your own risk, though we use strict procedures and security features to try to prevent unauthorized access.

How long we keep information

How long we keep information we collect about you depends on the type of information, as described in further detail below. After such time, we will either delete your information or, if this is not possible (for example, because the information has been stored in backup archives), then we will securely store your information and isolate it from any further use until deletion is possible.

Account information

We retain your account information for as long as your account is active. We also retain some of your information as necessary to comply with our legal obligations, to resolve disputes, to enforce our agreements, to support business operations, and to continue to develop and improve our Services.

Legal Requirements

We may disclose your Personal Data in the good faith belief that such action is necessary to:

- To comply with a legal obligation
- To protect and defend the rights or property of Inspiration Elevator and the App
- Occasionally to protect your vital interests, or those of others;
- To prevent or investigate possible wrongdoing in connection with the Service
- To protect the personal safety of users of the Service or the public
- To protect against legal liability
- as necessary for our (or others') legitimate interests, including our interests in providing an innovative, relevant, safe, and profitable service to our users and partners, unless those interests are overridden by your interests or fundamental rights and freedoms that require protection of personal data.

How to access and control your information

You have certain choices available to you when it comes to your information. Below is a summary of those choices, how to exercise them and any limitations.

Deleting Account

You have the right to request the deletion of your account. You can exercise this choice by logging into the Settings menu of your account.

Changing your password

You can exercise this choice by logging into the Settings menu of your account. If you forget your password, you can request through our Service the possibility for replacing it with a new one. This happens through the e-mail you have used to register Your Account.

Links To Other Sites

Our Service may contain links to other sites that are not operated by us. If you click on a third-party link, you will be directed to that third party's site. We strongly advise you to review the Privacy Policy of every site you visit.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third-party sites or services.

Children's Privacy

Our Service does not address anyone under the age of 16 ("Children").

We do not knowingly collect personally identifiable information from anyone under the age of 16. If you are a parent or guardian and you are aware that your Children have provided us with Personal Data, please contact us. If we become aware that you are under 16 and using our app or our site, we may terminate your user account and issue bans to your device.

Changes To This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

We will let you know via email and/or a prominent notice on our Service, prior to the change becoming effective and update the "effective date" at the top of this Privacy Policy.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
