Hi Samarpan!

I've just sent you your grant for OnBoard. You should have received an invite in your email.

There will be instructions on how to use your debit card attached should you need them. Please remember to upload your receipts when you make purchases.

Also, unfortunately we're unable to offer support with reimbursements for customs fees, including reimbursements using leftover grant funds. Please keep this in mind before you make any purchases.

Please don't hesitate to reach out if you have any questions!

warmly, Daisy
