

Inauguration Report of Sphere Hive

Date: 21st November 2024

Venue: Auditorium, KVG College of Engineering

Introduction:

On a momentous afternoon of 21st November 2024, **KVG College of Engineering** witnessed the grand inauguration of **Sphere Hive**, a visionary initiative designed to ignite entrepreneurial spirit and foster innovation among students. With a tagline of “**staying ahead of the curves**”. Held in two phases - the unveiling of the startup lab and the official launch of the Sphere Hive startup club - this event marked a new chapter in the college's commitment to nurturing talent and empowering future leaders.

The startup lab, named in honor of **Dr. Shreedhar K** for his unwavering dedication to the college, sets the stage for creative minds to turn their ideas into reality. Following this, the launch of the Sphere Hive club at the auditorium brought together dignitaries, faculty, and students in a celebration of collaboration, ambition, and innovation.

With the presence of esteemed chief guest **Shri Girish Bharadwaj**, often referred to as the “*Bridge Man of India*,” and speeches from influential academic leaders, the event underscored the importance of entrepreneurship in shaping the leaders of tomorrow.

This report provides a comprehensive account of the inauguration, capturing the essence of a day that will remain etched in the history of KVG College of Engineering.

Phase 1: Inauguration of the Startup Lab

Time: 2:00 PM

Venue: Startup Lab, KVGCE

The day commenced with the inauguration of the startup lab, a modern facility equipped to nurture innovation and creativity. Named in honor of **Dr. Shreedhar K**, *Vice Principal and Professor*, the lab serves as a hub for aspiring entrepreneurs to explore and develop groundbreaking ideas.

The ribbon-cutting ceremony was led by **Shri Girish Bharadwaj**, symbolizing the official opening of this transformative space. This initiative reflects the college's vision of creating a vibrant ecosystem for innovation and collaboration.

Phase 2: Sphere Hive Club Launch

Time: 3:00 PM

Venue: Auditorium, KVG College of Engineering

The second phase of the event witnessed the official launch of the Sphere Hive startup club in the auditorium. This club aims to act as a launchpad for student entrepreneurs, providing resources, mentorship, and a platform to connect with industry experts.

Program Highlights:

Opening Ceremony:

The event began with a soulful prayer by Kavyashri 1st year CSE 'C' section, followed by a warm welcome address by Samvrudhi 1st year CSE 'C' section, setting an uplifting tone for the proceedings.

Ceremonial Lamp Lighting:

Dignitaries and team members came together to light the lamp, symbolizing knowledge and a bright future for the club.

Unveiling Moments:

Logo and Tagline: The club's identity was unveiled with the logo presented by **Shri Girish Bharadwaj** and the tagline showcased via an engaging PowerPoint presentation.

T-Shirt: A specially designed t-shirt was introduced by **Dr. Ujwal U. J, CEO**, alongside a team member, reflecting the club's unity and spirit.

Team Introduction and Vision Presentation:

Muhammad Arshad R A introduced the Sphere Hive team and shared an insightful report on its goals and future activities.

Mohammed Rahil articulated the club's vision and mission, emphasizing its role in fostering innovation and collaboration.

Inspiring Speeches:

The event featured thought-provoking speeches by:

Chief Guest, Shri Girish Bharadwaj: Emphasized resilience, creativity, and the importance of taking risks in entrepreneurship.

Sphere Hive Coordinator, Mr. Kishore Kumar K: Highlighted the club's potential to transform student aspirations into reality.

Dr. Chandrashekhar A, Dr. Shreedhar K, and Dr. Ujwal U. J: Spoke about the importance of innovation and the institution's commitment to supporting entrepreneurial endeavors.

Principal, Dr. Suresha V: Concluded with a powerful message about the importance of fostering a culture of innovation within academic institutions.

The event concluded with a heartfelt vote of thanks delivered by Samvrudhi, 1st year CSE 'C' section, expressing gratitude to all attendees, dignitaries, and team members for making the day a resounding success.

The inauguration of **Sphere Hive** and its startup lab represents a giant leap towards creating an entrepreneurial ecosystem within KVG College of Engineering. With a mission to inspire, innovate, and impact, Sphere Hive is poised to become a beacon for student-led innovation, paving the way for a future where ideas turn into impactful ventures.

This memorable day will forever remain a proud milestone in the college's journey towards excellence.
