About Us

With 30+ years in law enforcement, military leadership, and security training, we founded Security Compliance Academy to help security professionals meet North Carolina's compliance standards.

Our training blends real-world experience with discipline, professionalism, and leadership to prepare guards for success.

Committed to excellence, we stay engaged with industry standards to ensure security personnel are equipped with the skills and confidence to protect people and property effectively.

Our Business

Preparing Guards for Duty, Not Just Certification.

At Security Compliance Academy, we provide state-approved, high-quality security training designed for both individuals and companies. Our courses focus on compliance, professionalism, and hands-on skills to ensure guards are fully prepared. Led by experienced law enforcement and military professionals, we deliver practical, real-world training that meets North Carolina's strict regulations while helping security personnel building successful careers.

Why Choose us

At Security Compliance Academy, we provide professional, real-world security training that goes beyond basic compliance. Led by law enforcement and military experts, our courses equip security personnel with the knowledge, skills, and discipline needed to succeed in the field. We ensure every trainee meets NC compliance standards while gaining practical experience for real-world situations.

- ✓ Catherine Flowers, a retired Raleigh Police Officer and Military Police Corps Veteran, leads the training.
- ✓ In-person, live virtual, and on-site corporate training available.
- ✓ State-approved 16-hour curriculum meets all NC compliance requirements.
- ✓ Real-world scenarios, tactical drills, and emergency response exercises included.
- ✓ Covers legal issues, patrol procedures, report writing, and more.
- ✓ Recognized certification that enhances job opportunities.
- ✓ Helping small to mid-sized firms build professional security teams.
