

The Budgeting Workbook for *Kids*

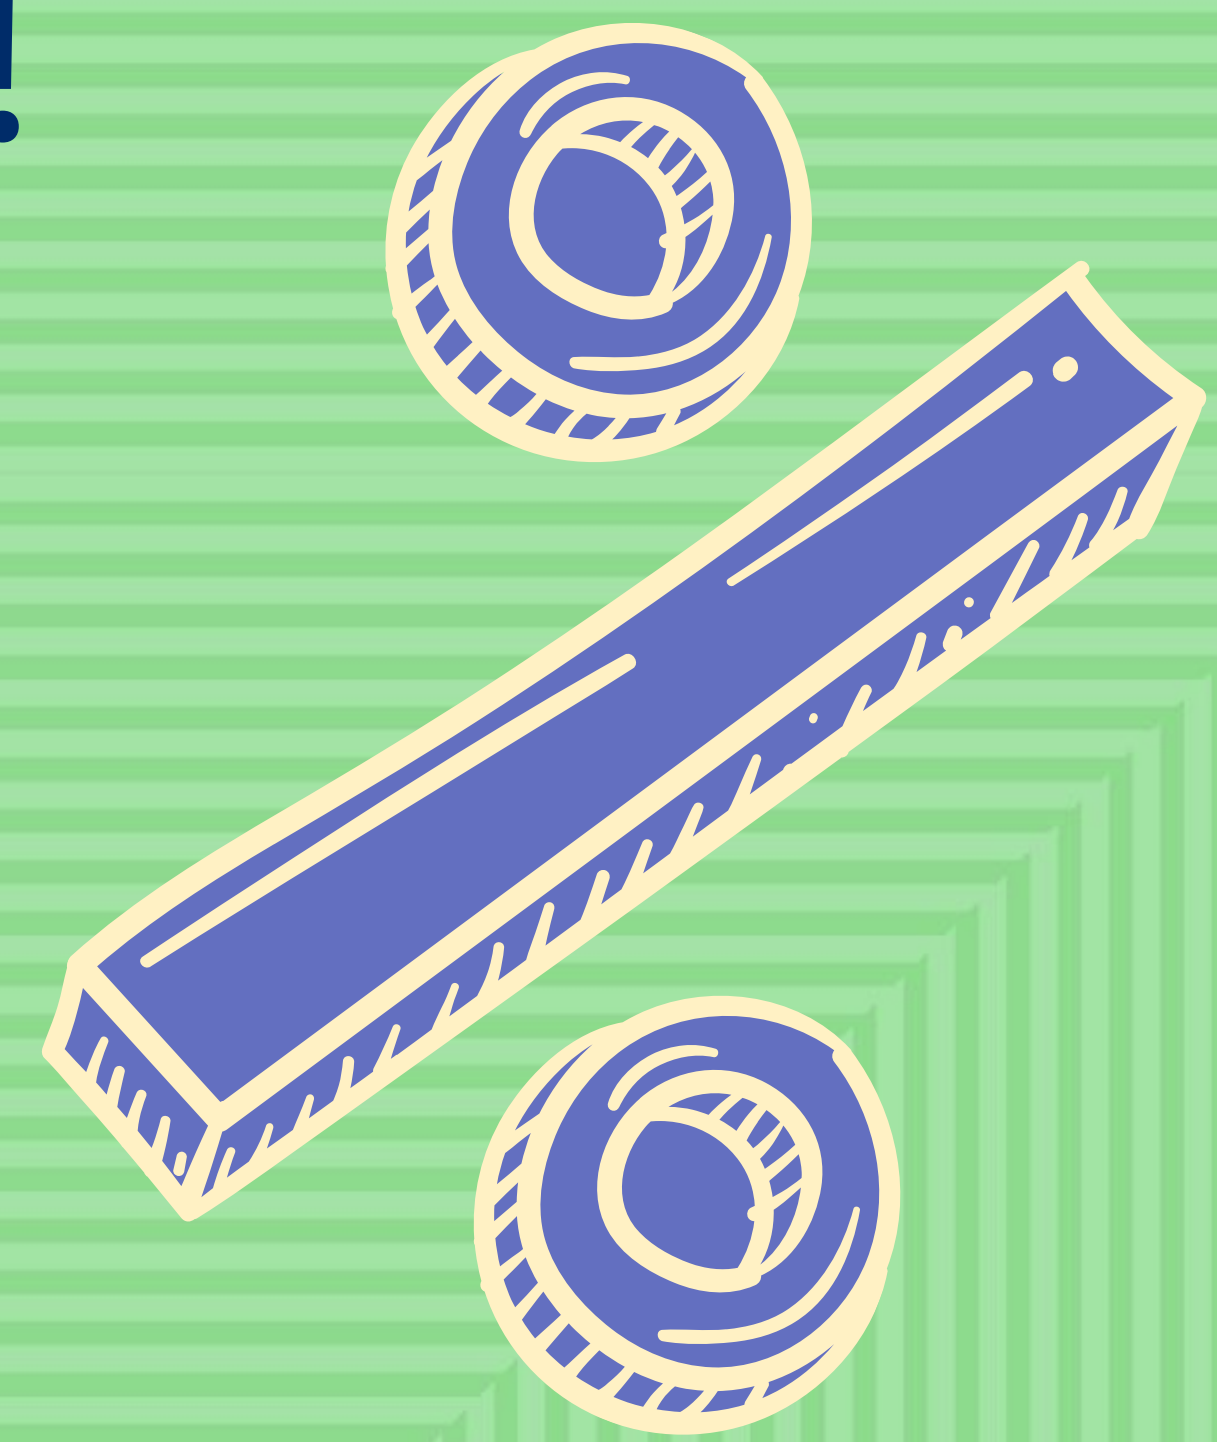

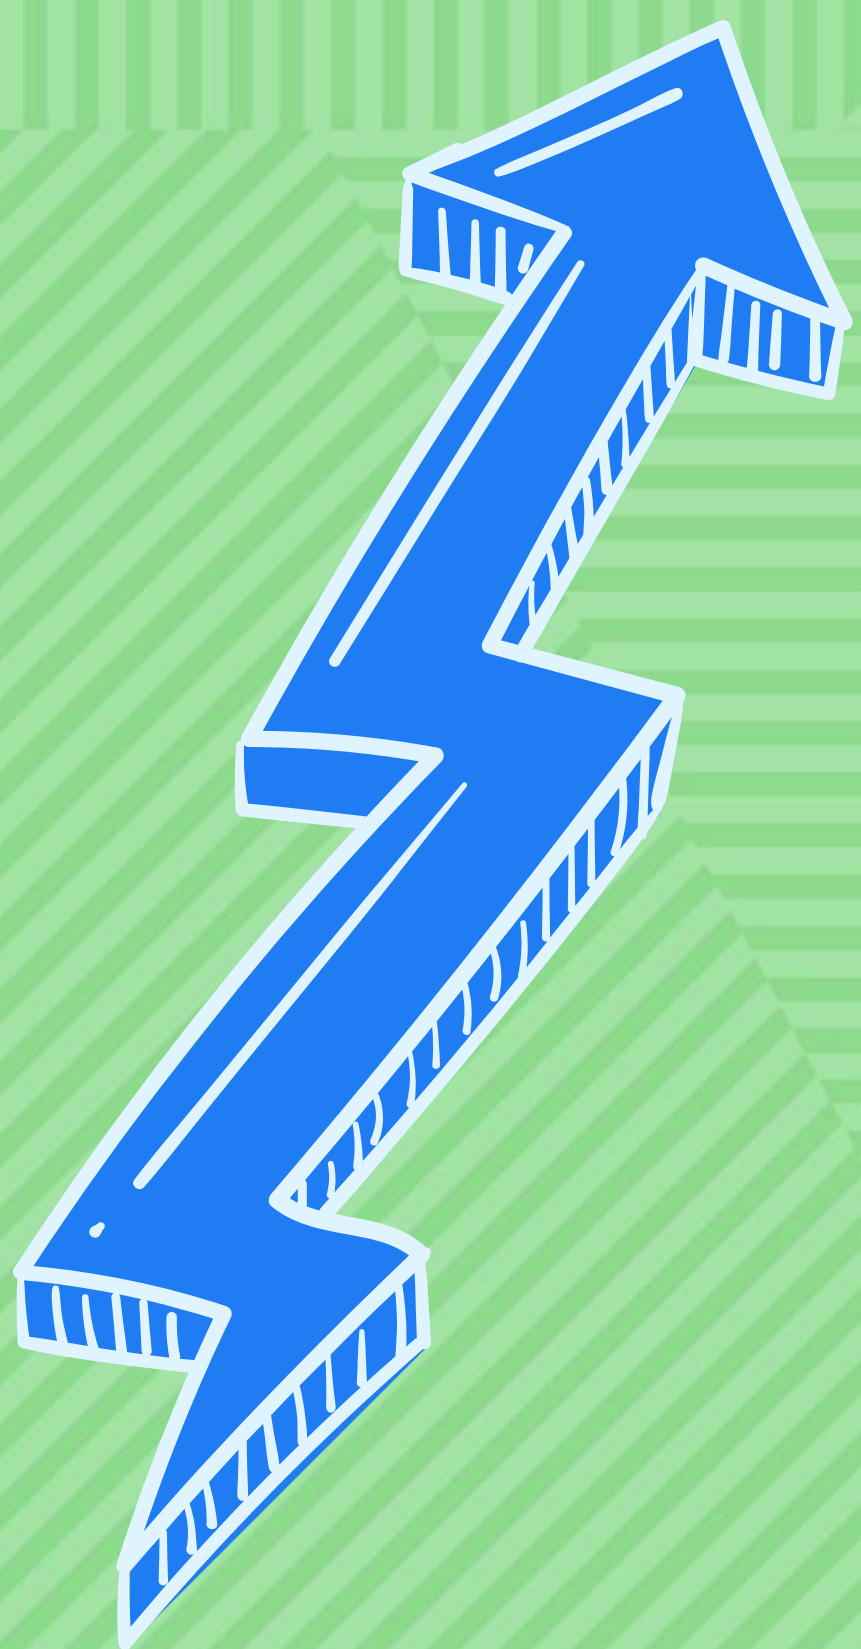

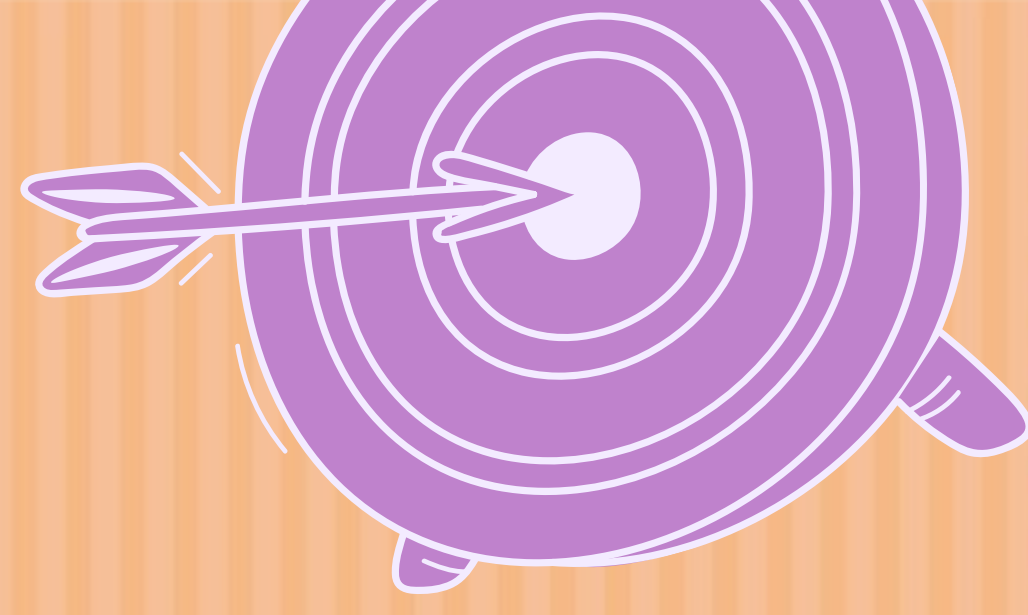

Preface

The Budgeting Workbook for kids is a simple guide to help kids learn about budgeting and money in a fun and exciting way.

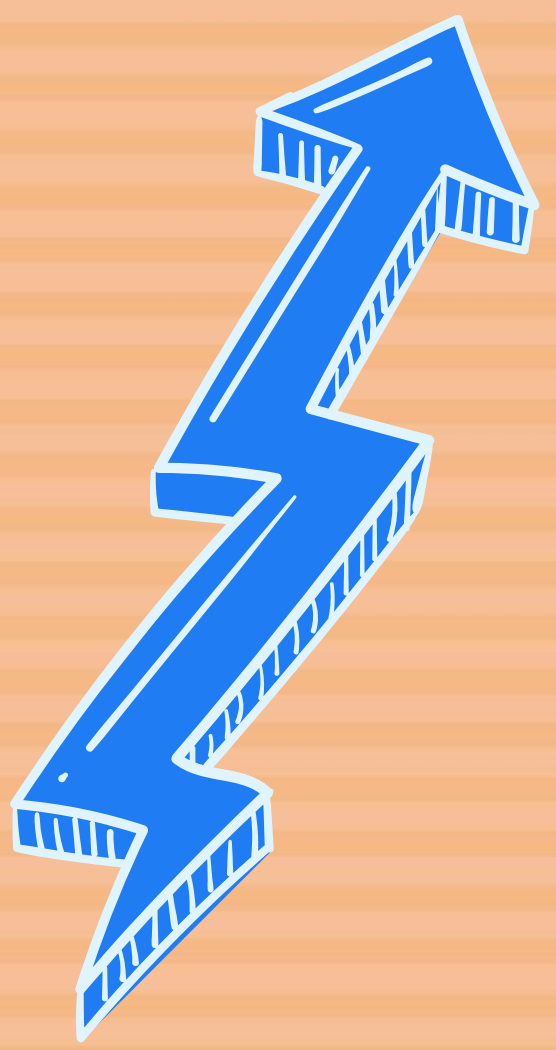

With this guide, you can learn how to make a budget, save and be your own mini money master!

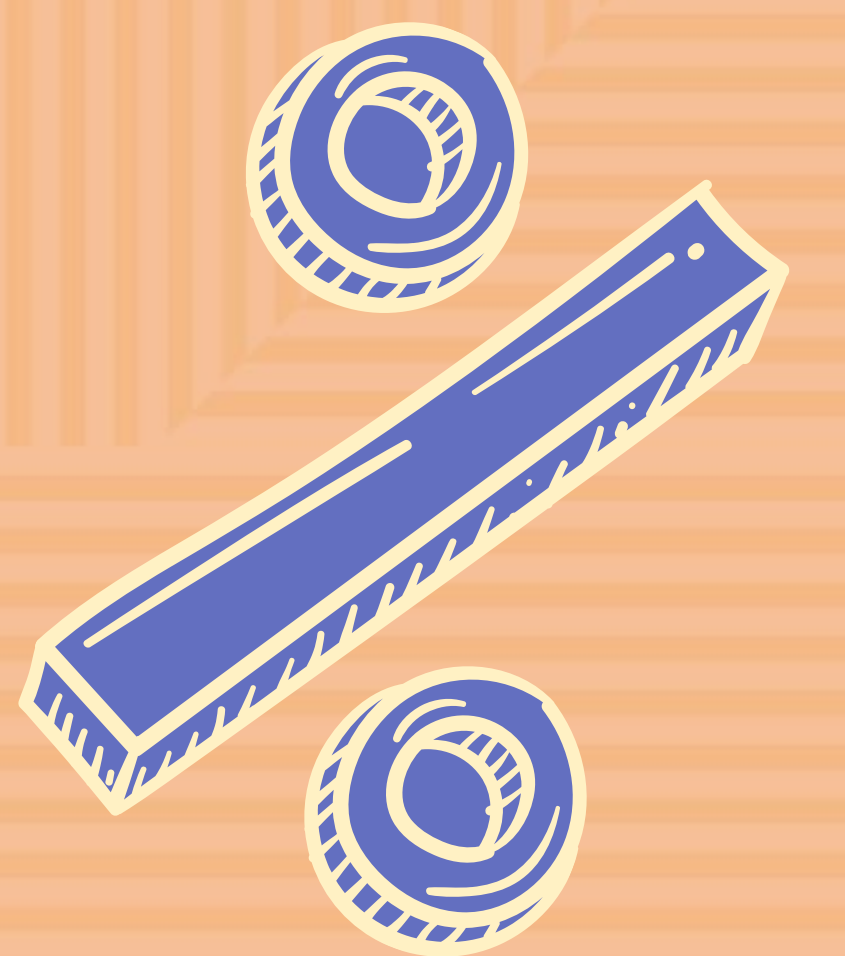

How to Use This Guide

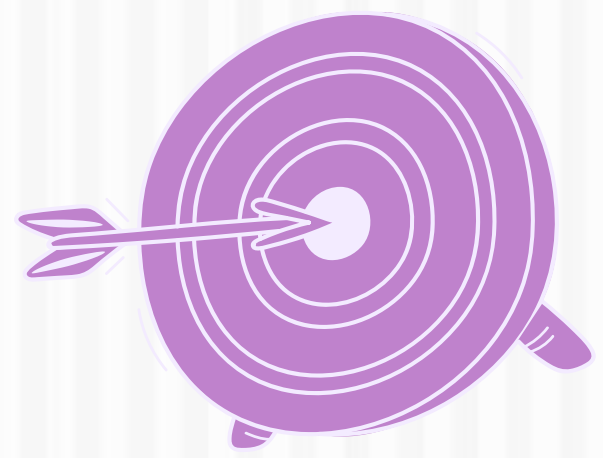

1. Monthly Income: We know you don't work, 😴 but fill in any money you get from your parents, birthday gifts, etc.

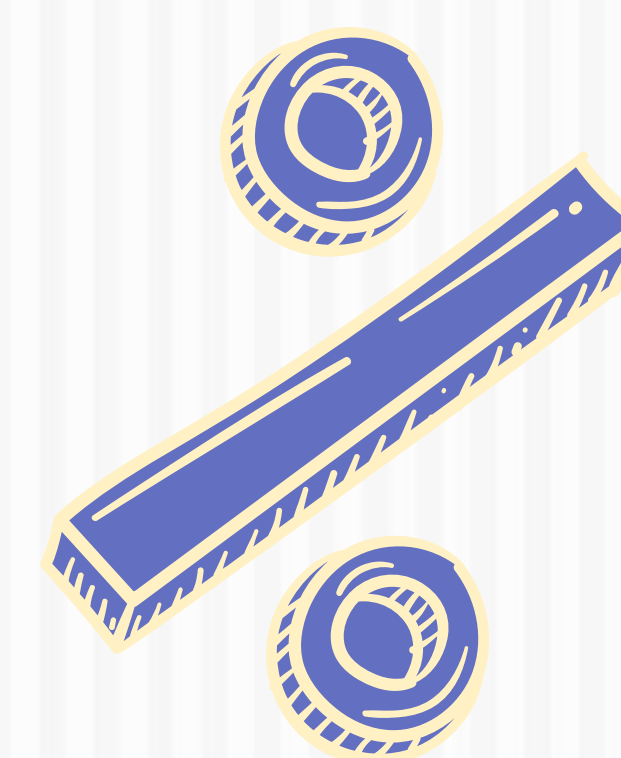

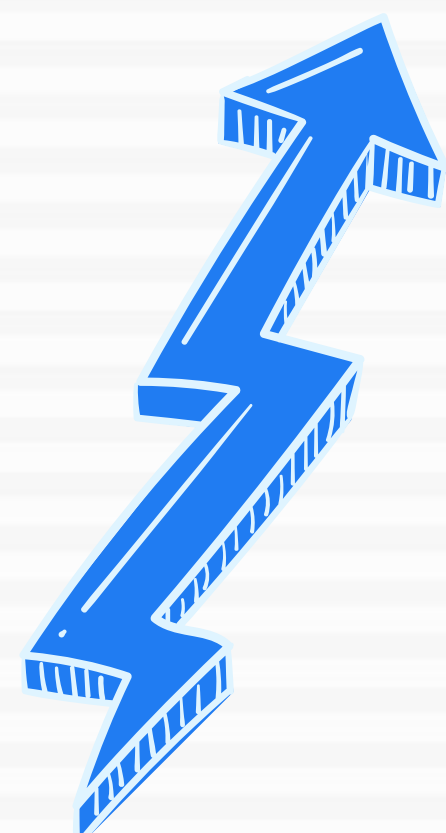

2. Monthly Expenses: Record all the things you spend your money on, like snacks, toys, or games.

3. Savings: Save at least 20% of your income every month. It's a great habit to start early. ❤️

How to set up a Cowrywise account for your *child*.

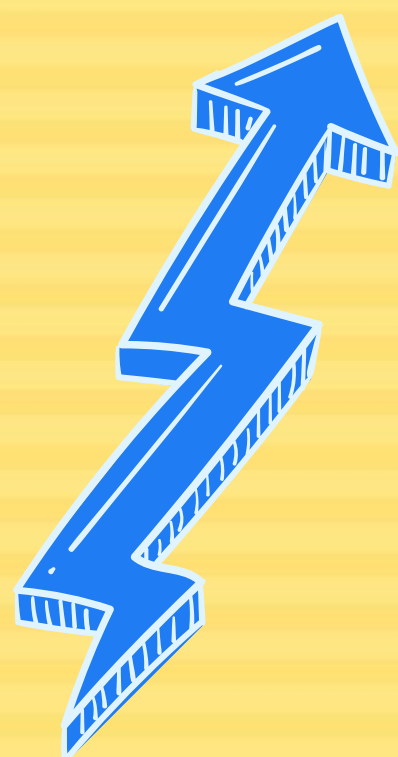

1. To get started, download the Cowrywise app from the App Store or Google Play Store.

2. Sign up and register with your details.

3. Tap on "Build my savings"

4. Follow the on-screen instructions to customize your plan

according to your kid's financial goals.

5. Ensure that all the information is accurate and aligns with your savings goals.

6. Choose payment plan and method.

7. Yayyy! You've created a savings plan for your child.
