Stripper 1T30
Epoxy Paint Stripper

Description
Crest Paint Stripper 1T30 is a neutral, thickened, heavy-duty paint remover that effectively strips paint and similar organic coatings from metal surfaces. It is designed primarily for removal of epoxy, urethane and other difficult to remove coatings.

- **Evaporation:** Stripper 1T30 has a self-forming surface film which retards evaporation and extends the working life.
- **Cling:** This product is excellent on all surfaces, vertical or horizontal.
- **Appearance:** Crest Stripper 1T30 is a yellow thixotrophic liquid.
- **Corrosion:** This product is non-corrosive to aluminum, magnesium, cadmium, anodized aluminum and ferrous metals. The stripper will not cause hydrogen embrittlement of high strength steel.

Specification
This product meets or exceeds all qualifications for the following:

- MIL-R-81294D Type 1 and Class 1

Method of Use
Application Methods
- Spray
- Brush

Concentration
- Use as received.

Equipment
- Spray on the stripper with a non-atomizing sprayer. The stripper may also be applied by brush. When a brush is used, daub to give a thick coating. Do not brush as with paint.

Stripping
- Allow sufficient dwell time for thorough loosening or blistering of the paint.

Rinsing
- Crest Stripper 1T30 and paint residues may be rinsed with high pressure, high volume cold water or with a steam cleaning machine. Slight brushing during the rinse operation insures complete removal of all residues.

Caution
This product contains chlorinated solvents and phenolic bodies. Refer to product labels and Safety Data Sheets for precautionary and handling information. Product should be stored at no lower than 50°F and no higher than 100°F.

Warranty and Liability Disclaimer
The above information and recommendations concerning this product are based upon our laboratory tests and field use experience; however, since conditions of actual use are beyond our control, any recommendations, or suggestions, are made without warranty, expressed or implied. Manufacturer's and seller's sole obligation shall be to replace that portion of the product shown to be defective. Neither shall be liable for any loss, damage or injury, direct or consequential, arising out of the use of this product.
