Stripper 56

Epoxy, Acrylics, Vinyl and Polyurethane Paint Remover

Description

Stripper 56 was developed to remove the new types of Epoxy paints as well as Acrylics, Vinyls, Polyurethanes and other difficult to remove organic coatings. This product must be used with caution. Your attention is directed to the toxicity and hazard statement at the end of this bulletin

Method of Use

- Use full strength as received.
- Use this product at room temperature only.
- Do ***not*** dilute with any type of additional solvent material.
- Completely immerse dry parts in the solution.
- Allow sufficient dwell time to completely loosen the coating.
- Do ***not*** allow parts to come into contact with the sludge on the tank bottom.
- This product is ***not*** safe on Magnesium or High strength steels.
- The parts should not be left in the water phase, as it may be corrosive to certain metals.

Caution

Avoid contact with skin, eyes and clothing. Protective clothing such as face shields, rubber gloves, aprons and boots should be worn when handling this material. Prolonged exposure to high concentrations of vapor may cause irritation to eyes and respiratory tract. Avoid contact with skin and eyes. Avoid prolonged or repeated breathing of vapors. Use with adequate ventilation. Refer to product label and material safety data sheet for additional precautionary and handling information.

Poison

This product is rapidly absorbed through skin and causes severe burns. Do not take internally.

Antidote

Skin Contact: Wash with rubbing alcohol and follow with soap and water.
Ingestion: Give a tablespoon of salt in a glass of warm water and repeat until vomit fluid is clear. Give milk and white of eggs beaten with water. Refer to product labels and Safety Data Sheets for precautionary and handling information.

Product should be stored at no lower than 50°F and no higher than 100°F.

Warranty and Liability Disclaimer
The above information and recommendations concerning this product are based upon our laboratory tests and field use experience; however, since conditions of actual use are beyond our control, any recommendations, or suggestions, are made without warranty, expressed or implied. Manufacturer's and seller's sole obligation shall be to replace that portion of the product shown to be defective. Neither shall be liable for any loss, damage or injury, direct or consequential, arising out of the use of this product.
